LE Ministre de l'Intérieur fait rapport, le 14 octobre 1912, que des représentations ont été faites au Ministère de l'Intérieur comportant qu'en conséquence de certaine erreur quant au titre de la section 11, township 9, rang 26, à l'ouest du 4e méridien, les autorités de la ville de Macleod ont érigé des bâtiments coûteux et établi un système d'approvisionnement d'eau sur la partie de la section 11, township 9, rang 26, à l'ouest du 4e méridien, avoisinant la ville.

Lorsqu'il fut avisé de ce fait le Ministère de l'Intérieur eut d'abord l'intention de céder la section 11 en question et de choisir à sa place pour le fonds des écoles une autre section ayant autant que possible la même valeur, et à cette fin une inspection fut faite des terres fédérales disponibles dans cette partie de la province.

Toutefois, il fut impossible de trouver une section ayant à peu près la même valeur que la section 11 qui, vu le fait qu'elle est voisine de la ville de Macleod, a une valeur considérable. La question de l'échange ayant été soumise au gouvernement d'Alberta, ce gouvernement protesta énergiquement contre la concession de la section scolaire, à moins qu'une autre section de valeur égale fut choisie pour le fonds des écoles, et il suggéra que ce qu'il y avait de mieux à faire était d'offrir des terres en vente à l'enchère publique afin de donner aux autorités de la ville de Macleod l'occasion d'acheter cette section.

Cette suggestion ayant été approuvée par le Ministre une inspection du terrain requis par la ville de Macleod fut faite par le surintendant des terres des écoles, qui évalua le terrain à $175 l'acre et fit rapport que cette ville y avait érigé des bâtiments consistant en une usine hydraulique et un édifice d'exposition, et qu'elle a de plus installé des tuyaux d'alimentation, des tuyaux de prise d'eau et des conduites de distribution d'une valeur totale d'environ $197,000.

Le Ministre ajoute qu'il est d'avis qu'il serait de l'intérêt public que l'occasion soit donnée à la ville de Macleod d'acheter le terrain nécessaire en rapport avec les bâtiments susdits et le système d'approvisionnement d'eau établi par la ville.

Par conséquent, le Ministre demande l'autorisation d'offrir en vente à l'enchère publique à une date prochaine, dans la ville de Macleod, les terrains requis par la ville, indiqués en rouge sur le plan annexé, au prix de mise de $175 l'acre, les conditions de la vente devant être conformes aux dispositions de la *Loi des terres fédérales* sous ce rapport.

Le comité soumet cette demande pour approbation.

Mardi, le 22e jour d'octobre 1912.

PRÉSENT :

SON ALTESSE ROYALE EN CONSEIL.

LE Ministre suppléant de l'Intérieur représente, le 7 octobre 1912, que la compagnie dite " The Blue Mountains Refractories Company, Limited ", de la ville de Vancouver, dans la province de la Colombie-Britannique, a demandé au Ministère de l'Intérieur la permission d'acheter la moitié ouest de la section 1, les sections 2 et 3 entières et les 55 chaînons de l'est de la moitié sud de la section 4, township 4, rang 4, à l'ouest du 7e méridien, dans la dite province, pour la fabrication de la brique et autres produits de l'argile. La compagnie demande aussi d'acheter le quart fractionnaire sud-ouest de la section 2, township 7, rang 26 à l'ouest du 6e méridien, couvrant une superficie de 144.75 acres, pour y construire un établissement de vernissage en rapport avec la fabrication des produits de l'argile ; aussi le droit de passage longeant et traversant les sections 32, 33 et 34, dans le township 3, rang 4, à l'ouest du 7e méridien, dans la dite province, conduisant à la rivière Lillooet, établissant une voie de communication entre cette rivière et le premier des terrains ci-dessus décrits.

Le Ministre représente qu'une inspection des terres demandées a été faite par l'agent des bois de la Couronne, à New Westminster, qui a fait rapport qu'elles contiennent très peu de bois de valeur marchande ; qu'il ne s'y trouve pas plus de bois qu'il est nécessaire pour les fins de l'industrie projetée ; et bien que les terres en question aient dans le passé été examinées par des prospecteurs forestiers, aucune demande de permis de coupe de bois n'a encore été faite. Il appert aussi que ces terrains sont très accidentés et de peu de valeur au point de vue agricole.

Les requérants ayant exprimé l'intention d'établir une industrie d'une certaine importance sur ces terrains, qui auraient autrement peu de valeur, le Ministre est d'avis qu'il serait de l'intérêt public d'accorder leur demande, et il demande l'autorisation de mettre en réserve pour les requérants les terrains qu'ils ont demandés et de les leur vendre pour les fins mentionnées au prix de $1.00 l'acre, pourvu qu'ils se conforment aux conditions suivantes :—

1. Les requérants construiront sur le premier des terrains ci-dessus décrits une briqueterie d'une production d'au moins 50,000 briques par semaine.

2. Cette briqueterie sera en fonctionnement et devra avoir produit au moins un million de briques dans la période de trois ans qui suivront la date de l'autorisation de la vente.

3. Dans les trois ans qui suivront la date de l'autorisation de la vente, les requérants construiront sur le quart fractionnaire sud-ouest de la section 2, township 7, rang 26, à l'ouest du 6e méridien, un établissement de vernissage d'une capacité et d'un modèle convenant aux fins proposées, à la satisfaction du Ministre de l'Intérieur, et commenceront l'exploitation de cet établissement dans la même période en y traitant les produit de l'argile.

4. Jusqu'à ce que les conditions ci-dessus aient été remplies et les lettres patentes des terrains en question accordées, les requérants rembourseront la Couronne de toute dépense qui pourra être encourue pour la protection du bois marchand dans le voisinage contre le danger d'incendie qui pourrait résulter de leur exploitation.

5. Dès que les requérants auront négligé de se conformer à une des conditions ici prévues la réserve des terres susdites cessera, la vente sera annulée et la Couronne confisquera les sommes qui auront été payées.

6. La mise en réserve et la vente seront subordonnées aux droits du gouvernement provincial de la Colombie-Britannique en ce qui concerne la découverte de minéraux dans ou sur ces terrains.

7. Dès que preuve satisfaisante aura été donnée que les conditions ci-dessus ont été parfaitement observées, que le prix d'achat de $1.00 l'acre a été payé et que le terrain a été arpenté les lettres patentes des terrains en

question seront accordées aux requérants, réserve étant faite des mines et minéraux, ainsi que de la houille qui pourraient être découverts dans ou sur ces terrains.

Le Ministre ajoute que les terrains ci-dessus décrits avaient été antérieurement concédés, à des conditions semblables à celles ici contenues, à un certain George H. Turner, par un arrêté en conseil daté le 27 mars 1908. M. Turner a payé au Ministère de l'Intérieur pour ces terrains la somme de $1.00 l'acre avant qu'il fut nécessaire de le faire d'après les dispositions du dit arrêté en conseil, et il demande au Ministère que le paiement qu'il a fait sur les terrains en question soit appliqué au compte du prix d'achat exigé des présents requérants.

En vue de ces faits, le Ministre demande aussi l'autorisation d'appliquer au paiement des terrains en question la somme payée par M. Turner à compte du prix d'achat.

Le comité soumet cette demande pour approbation.

1. Pour le prolongement de quelque ligne de chemin de fer ou de quelque canal, ou pour la construction d'embranchements des dits chemin de fer ou canal :—Dans la principale cité, la principale ville ou le principal village dans chaque district ou comté devant être traversé par ce prolongement ou cet embranchement.

(D.) Tout pareil avis sera transmis par la poste par lettre enregistrée de manière à parvenir au secrétaire de la province, et au greffier du conseil de comté et de la corporation municipale, au moins deux semaines avant que l'Examinateur ou le comité des ordres permanents ne prennent la pétition en délibération, et une déclaration conforme à la loi et établissant ce dépôt à la poste, sera adressée au greffier de la Chambre.

(E) Tous bills privés pour actes constitutifs devront être dressés de manière à incorporer, par mode de renvoi, les clauses des actes généraux se rapportant aux détails auxquels ces bills doivent pourvoir ; l'on devra énoncer les raisons spéciales de toute déviation de ce principe, ou de l'introduction d'autres dispositions relatives à ces détails, et une note devra être annexée au bill pour indiquer les dispositions du bill au sujet desquelles l'on propose de s'écarter de l'*acte général* ; les bills qui ne seront pas rédigés conformément à cette *règle*, devront être remodelés par les promoteurs et réimprimés à leurs frais avant qu'aucun comité passe à l'examen de leurs *clauses*.

CARTES, PLANS ET PIÈCES ACCOMPAGNANT LES BILLS.

SENAT.

SUBSTANCE DES RÈGLES ET FORMES DE PROCÉDER DU SÉNAT CONCERNANT LES BILLS DE DIVORCE.

Telles que revisées et mises en vigueur le 22 mars 1906.

Tout pétitionnaire en divorce doit annoncer son intention de demander un bill de divorce, par un avis spécifiant contre qui et pour quelle cause le divorce sera demandé ; il fait insérer cet avis, pendant trois

mois au moins avant la prise en considération par le comité des divorces de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux—du district où il avait sa résidence habituelle à l'époque de sa séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Saskatchewan, l'Alberta, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province ; et à défaut de ce nombre de journaux, l'avis doit se publier dans le district, le comté ou les comtés-unis voisins.

Dans les provinces de Québec et du Manitoba, les insertions doivent se faire dans un journal anglais et un journal français, s'il en existe des deux langues dans le district ; autrement, elles se font en anglais et en français au même journal. Si l'avis donné pour une session expire trop tard pour qu'il puisse être statué sur la pétition pendant cette session, la pétition pourra être présentée et accueillie à la session suivante sans nouvelle publication d'avis.

Une copie de cet avis et une copie de la pétition qui sera présentée doit, à la diligence du pétitionnaire et au moins deux mois avant la prise en considération de la pétition par le comité, être signifiée en main propre si cela est possible, à la personne contre laquelle le divorce sera demandé, ci-après appelée "partie défenderesse".

Si la résidence de la partie défenderesse n'est pas connue, ou que la remise de l'avis ne peut être faite en ses mains, s'il est prouvé, d'une manière jugée satisfaisante par le comité, que tous les efforts raisonnables ont été faits pour opérer la signification en main propre, et, en cas d'inutilité de ces efforts, pour porter l'avis et la pétition à la connaissance de la partie défenderesse, ces diligences peuvent être tenues pour une suffisante notification.

Aucune pétition en divorce n'est recevable après l'expiration des soixante premiers jours de la session.

Toute pétition en divorce doit être écrite lisiblement et porter la signature du pétitionnaire. Elle énonce sommairement le fait du mariage, en indiquant les noms au long, l'âge et l'état des parties, en quel temps, en quel lieu et par qui a été faite la célébration ; le domicile et la résidence de chacune des parties à l'époque du mariage, leur domicile conjugal, leur résidence et tout changement qui en aurait eu lieu ; les faits essentiels sur lesquels est fondée la demande de redressement et la nature du redressement demandé.

La pétition doit aussi contenir l'assurance qu'il n'y a pas eu ni connivence, ni pardon pour les torts qui donnent lieu à la plainte, ni collusion dans la demande en divorce.

Les allégations de la pétition doivent être appuyées d'une déclaration du pétitionnaire, faite conformément à l'*Acte de la preuve en Canada, 1893.*

La copie de la pétition signifiée à la partie défenderesse portera en endos ou en annexe les renseignements suivants :

(*1*) La résidence du pétitionnaire à l'époque de la signification.

(*2*) Une adresse postale en Canada à laquelle les lettres et avis pour le pétitionnaire puissent être délivrés.

(*3*) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour le pétitionnaire.

(*4*) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(*5*) Si la partie défenderesse veut s'opposer à la demande en divorce et être entendue par le comité des divorces du Sénat, elle doit adresser un avis à cet effet au greffier du Sénat aux édifices du Parlement, Ottawa, dans les deux mois de la signification faite à la partie défenderesse et donner dans cet avis au greffier du Sénat :

(*a*) La résidence de la partie défenderesse à l'époque de l'envoi de l'avis.

(*b*) Une adresse postale en Canada à laquelle les lettres et avis pour la partie défenderesse puissent être délivrés.

(*c*) Le nom et l'adresse de l'avocat, s'il y en a un agissant pour la partie défenderesse.

(*d*) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(*6*) Si la partie défenderesse ne notifie pas ainsi le greffier du Sénat, la pétition peut être prise en considération, et un bill de divorce basé sur cette pétition peut suivre son cours sans autre avis à la partie défenderesse.

(*7*) Lorsque la pétition est présentée par un mari pour obtenir le divorce contre sa femme, si celle-ci fait voir au comité d'une manière satisfaisante qu'elle peut opposer et qu'elle est prête à produire sous serment de bons moyens de défense contre les accusations portées dans la pétition, et qu'elle n'a pas l'argent nécessaire pour faire valoir ces moyens, le comité peut rendre un ordre que son mari ait à lui fournir la somme néces saire pour qu'elle puisse présenter sa défense en retenant les service d'un conseil, payer ses frais de voyage et de séjour et ceux des témoins assignés de sa part à Ottawa.

La pétition en obtention d'un bill de divorce n'est prise en considération par le comité que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de $210.

La pétition, au moment de sa présentation au Sénat doit être accompagnée de la preuve de la publication d'avis et d'une déclaration établissant qu'une copie de l'avis de la pétition a été signifiée.

Une copie de toute pétition en obtention d'un bill de divorce, ou relative à quelque demande de divorce,—et une copie de tous documents et papiers accompagnant cette pétition, ou à produire devant le comité, devra être fournie par la personne au nom de laquelle la pétition, les documents ou les papiers seront présentés ou produits.

SAML. E. ST. O. CHAPLEAU,
Greffier du Sénat.

Avis de bills privés.

EXTRAIT DES RÈGLES DU SÉNAT.

107. Toute demande au Parlement, pour obtenir un bill privé, de quelque nature qu'il soit, doit être annoncée par avis inséré à la *Gazette du Canada ;* cet avis doit indiquer d'une manière claire et précise la nature et l'objet de la demande, être signé par les pétitionnaires ou en leur nom et contenir l'adresse des signataires ; et si elle a pour objet l'obtention d'un acte constitutif, il faut donner aussi dans l'avis le nom de la compagnie projetée.

Outre l'avis à insérer dans la *Gazette du Canada*, il doit en être publié un semblable, comme il suit :—

A. Lorsque la demande a pour objet l'obtention d'un acte constituant en corporation,—

1. Une *compagnie de chemin de fer ou de canal*,—dans un des principaux journaux de la principale cité ou ville ou le principal village de chaque comté ou district par où passerait le chemin de fer ou le canal dont la construction est projetée ;

2. Une *compagnie de télégraphe ou de téléphone*,—dans un des principaux journaux de la principale cité ou ville de chaque province ou territoire où elle se propose d'opérer ;

3. Une *compagnie pour la confection de travaux quelconques*, dont la confection ou l'exploitation intéresserait spécialement telle localité particulière ; ou une compagnie tendant à obtenir des droits ou privilèges exclusifs, ou l'autorisation de faire une chose dont l'opération pourrait porter atteinte aux droits ou à la propriété d'autrui,—dans un des principaux journaux de l'endroit ou des endroits que l'acte demandé intéresse ;

4. Une *compagnie de banque ;* une *compagnie d'assurance ;* une *compagnie de crédit ;* une *compagnie de prêt* ou une *compagnie industrielle*, sans pouvoirs exclusifs —dans la *Gazette du Canada* seulement ;

5. Et si les travaux d'une compagnie (constituée ou à constituer) doivent être déclarés d'utilité générale pour le Canada, cette intention sera spécifiquement

mentionnée dans l'avis ; et les requérants feront envoyer par lettre enregistrée une copie de cet avis au secrétaire de chaque conseil de comté et de chaque corporation municipale spécialement intéressée dans la construction ou l'exploitation de ces travaux, ainsi qu'au secrétaire de la province dans laquelle ces travaux sont ou seront situés ; et la preuve de l'accomplissement de cette prescription par les requérants devra s'établir par une déclaration statutaire.—

B. Lorsque la demande a pour objet de modifier un acte existant,—

1. Afin de prolonger une ligne de chemin de fer ou un canal, ou de construire des embranchements qui s'y relient, l'avis sera le même, *mutatis mutandis*, que celui pour l'obtention d'un acte constituant en corporation une compagnie de chemin de fer ou de canal ,

2. Afin de proroger le délai fixé pour la confection ou l'achèvement d'une ligne de chemin de fer, d'un canal, d'une ligne télégraphique ou téléphonique, ou d'autres travaux quelconques déjà autorisés,—dans un des principaux journaux de l'endroit où la compagnie a son siège ou est autorisée à avoir son siège ;

3. Afin d'étendre les pouvoirs d'une compagnie (sans attribution de pouvoirs exclusifs) ; d'accroître ou de réduire le capital-actions d'une compagnie, ou d'augmenter ou modifier sa faculté d'émettre des obligations ou de faire des emprunts, ou d'effectuer des changements pouvant porter atteinte aux droits ou intérêts des actionnaires, obligataires ou créanciers de la compagnie, —dans un des principaux journaux du lieu de la situation de son siège.

c. Dans tous ces cas, les avis insérés soit à la *Gazette du Canada* ou dans les journaux, doivent se publier au moins une fois par semaine pendant cinq semaines consécutives ; et, lorsqu'ils se publient dans les provinces de Québec et du Manitoba, ils doivent être en langue anglaise et en langue française. Il faut envoyer au greffier du Sénat des exemplaires *marqués* de chaque numéro de tous les journaux contenant l'avis, avec, sur le pli de la feuille, les mots : "*Avis de bill privé*" ; ou l'on peut transmettre, au lieu des journaux, une déclaration statutaire que l'avis a été dûment publié.

Tout avis par lettre enregistrée sera déposé à la poste à temps pour parvenir au Secrétaire de la province et au greffier de chaque conseil de comté et de chaque corporation municipale cinq semaines au moins avant la considération de la pétition par le comité des Ordres permanents ; et une déclaration statutaire établissant le fait du dépôt à la poste sera transmise au greffier du Sénat.

108. Nulle pétition pour la constitution en corporation d'une compagnie de chemin de fer ou d'une compagnie de canal, ou pour l'extension de la ligne d'un chemin de fer ou d'un canal existant ou autorisé, n'est prise en consideration par le comité des Ordres Permanents, à moins qu'il n'ait été déposé devant le comité une carte ou un plan indiquant le tracé proposé des travaux ainsi que les comtés ou les districts par où doit passer le chemin de fer, le canal, l'embranchement ou le prolongement qu'on veut construire.

109. Avant d'adresser au Sénat la pétition pour en obtenir la permission de présenter un bill privé ayant pour objet la construction d'un pont de péage, la ou les personnes qui ont l'intention de faire cette pétition doivent, en donnant l'avis prescrit par les règles précédentes mentionner en même temps et de la même manière, les péages qu'elles se proposent de percevoir, l'étendue du privilège, la hauteur des arches, l'espace libre entre les culées ou les piles pour le passage des trains de bois et des bateaux ; en outre, mentionner si le pont sera mobile ou non, et indiquer les dimensions de la partie mobile.

110. Aucune pétition en obtention d'un bill privé n'est reçue par le Sénat après les trois premières semaines de la session ; aucun bill privé ne peut lui être présenté après les quatre premières semaines de la session ; aucun rapport d'un comité permanent ou spécial sur un bill privé n'est reçu après les six premières semaines de la session.

114. Toute personne qui voudra obtenir un bill privé, si elle se propose de le présenter au Sénat, devra déposer entre les mains du greffier de cette Chambre, huit jours avant la réunion du Parlement, une copie du bill en langue anglaise ou en langue française, avec une somme d'argent suffisante pour en payer la traduction, laquelle sera faite par les traducteurs du Sénat, et payer l'impression de 600 exemplaires anglais et de 200 exemplaires français ; elle aura pareillement à verser entre les mains du greffier du Sénat, aussitôt apres la deuxième lecture du bill, et avant la prise en considération par le comité auquel il aura été renvoyé, une somme de $200, avec les frais d'insertion de l'acte au corps des Statuts ; et elle remettra au commis-greffier du comité un reçu constatant le versement de ces sommes.

DESPATCHES, Etc.

Extract from the London Gazette *of the 15th November, 1912.*

Foreign Office,
November 11, 1912.

The King has been pleased to approve of—

Senor Don Nicolas Perez Stable as Consul of Cuba at Halifax, Canada. 23–1

Foreign Office,
November 15, 1912.

His Majesty's Secretary of State for Foreign Affairs has received a telegram from His Majesty's Ambassador at Constantinople, stating that the Turkish Government have declared coal to be contraband of war. His Excellency has made enquiry of the Turkish authorities as to the exact scope of this declaration. 23–2

Foreign Office.
November 18, 1912.

With reference to the notification published in the *London Gazette* of the 5th instant, His Majesty's Minister at Athens has reported by telegraph to His Majesty's Secretary of State for Foreign Affairs that the Greek Government have again declared fuel and lubricants to be absolute contraband of war if consigned to any Turkish port. 23–2

Foreign Office,
October 29th, 1912.

His Majesty's Principal Secretary of State for Foreign Affairs h[illegible]ved, from His Majesty's Minister at Sofia, a telegra[illegible]d October 28th, to the following effect :—

The Port of Bourgas has been mined and is consequently closed to shipping for the present.

Foreign Office,
October 31st, 1912.

His Majesty's Secretary of State for Foreign Affairs thinks it would be as well to state that the fact that a British Merchant vessel has been stopped, visited, or searched at sea by a warship of a belligerent Power is not of itself a matter of which the owner has a right to complain, or which would, unless in exceptional circumstances, justify diplomatic action by His Majesty's Government. It should also be understood that the Secretary of State cannot properly comply with requests of shipowners and others interested in cargoes consigned to ports within the theatre of war in the East, to demand the immediate release of vessels stopped and detained upon the high seas on the ground that they are carrying contraband of war, have been guilty of breach of blockade, or are rendering unneutral service to a belligerent. Vessels are detained in such cases in the exercise of belligerent rights, and if a vessel in such circumstances is diverted from her course and taken to a belligerent port, the matter is one to be investigated primarily by the Prize Courts of the captor. Diplomatic intervention can only properly be invoked if, after the final decision of the Prize Courts has been given, such finding appears to be so contrary to recognized principles of international law as to constitute a denial or failure of justice.

—

Foreign Office,
November 1st, 1912.

His Majesty's Secretary of State for Foreign Affairs has received from His Majesty's Minister at Athens a translation of a Law published in the Greek Government *Gazette* of the 8th (22nd) ultimo, with regard to the transfer of merchant vessels to neutral flags in time of war.

The terms of the enactment are as follows :—

Article 1.

The change of flag of an enemy vessel for that of a neutral state when taking place after the commencement of hostilities is invalid, unless it be proved that the change did not take place as a means of avoiding the consequences entailed by the enemy character of the vessel.

Proof of absolute invalidity exists—

1. If the change took place during the voyage or whilst in a blockaded port ;
2. If the right of repurchase has been agreed upon.
3. If the conditions governing the right to the flag according to the legislation of the country whose flag is acquired have not been observed.

Article 2.

It is forbidden for Greek vessels during the war to change their flag for that of a neutral State without the permission of the Minister of Marine.

Violation of this provision is punished with imprisonment up to 6 months.

Article 3.

The operation of the present law commences on the publication thereof in the Government *Gazette*.

Athens, October 8 (22), 1912.

—

—

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR GENERAL IN COUNCIL.

THE Minister of the Interior states, under date the 15th November, 1912, that Mr. H. O. Miller was granted homestead and pre-emption entries for the south ½ of Section 27, Township 6, Range 17, west of the 4th Meridian on the 17th September, 1908, and that as no defense was filed to the cancellation proceedings subsequently instituted such entries were cancelled by default on the 26th June, 1911, and re-entry granted Mr. J. A. Holmerson.

The Minister further states that it has now beeen represented to the Department of the Interior that Messrs. Miller and Holmerson had entered into an illegal agreement with respect to the half section mentioned ;

That under these circumstances it is considered advisable to have an investigation in relation to this matter.

The Minister, in view of the foregoing, recommends that H. G. Cuttle, of Brandon, in the Province of Manitoba, Esquire, Inspector of Dominion Lands Agencies, be authorized under the provisions of The Dominion Lands Act, paragraph (*g*), section 76, chapter 20, 7-8 Edward VII, to investigate the said question and for that purpose to summon by subpœna any person or persons, and examine such person or persons under oath and to compel the production of papers and writings at such investigation.

Thursday, the 21st day of November, 1912.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR GENERAL IN COUNCIL.

THE Minister of the Interior submits, under date 18th November, 1912, that by an Order in Council of the 31st of May, 1912, provision was made that a lease be issued in favour of The Yellowhead Pass Coal and Coke Company, the holders of certain coal mining leases in the northern portion of the Province of Alberta, of the surface rights of a certain portion of Section 6, Township 29, Range 21 west of the Fifth Meridian, which lands overlie the coal mining rights which the company have acquired under lease.

The Minister states that the coal mining rights which this company have acquired under lease are situated in Township 49, Range 21, west of the Fifth Meridian, but, owing to a typographical error, the surface rights for which the company applied were described in the above Order in Council as being in Township 29, instead of Township 49, Range 21, west of the Fifth Meridian.

The Minister, therefore, recommends that the Order in Council of the 31st of May, 1912, be amended accordingly.

The Committee submit the same for approval.

RODOLPHE BOUDREAU,
23–4 Clerk of the Privy Council.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Thursday, the 21st day of November, 1912.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR GENERAL IN COUNCIL.

THE Minister of the Interior, under date 10th October, 1912, reports that, under the provisions of The Irrigation Act, chap. 61, R.S.C., 1906, authority has been granted to the Lethbridge Collieries, Limited, to construct a system of works to divert water from Belly River for use in its mines and for the domestic supply of its employees, and that pursuant to such authority the company has constructed on the north half of Section 7, Township 9, Range 22, west of the 4th Meridian, a pump house and pipe line.

The Minister states that, under the authority of section 54 of the said Act, regulations were established providing for the granting of a right of way through Dominion Lands of lands required for a canal ditch or pipe line, including a marginal strip not exceeding twenty feet on one side and ten feet on the other side of such works to give access to the same for purposes of operation and repairs, and that provision is also made therein for granting a greater width if such is shown to be necessary for the effective operation of the system, but not to exceed ten acres on any quarter-section.

The Minister represents that the pipe line of the company through the land in question runs along a narrow coulee in such a way that it is necessary to have the pipe line on one side of the bottom of the coulee and the road by which access is gained to it on the other side, and they make application to be given license of occupation for the pipe line and roadway and the strip of land lying between.

The Minister also states that the land in question is held as a quarantine reserve under the control of the Department of Agriculture, but that Department has agreed to permit the company to acquire this right of way on condition that it should be fenced and that necessary gates should be provided.

The Minister further states that he has caused an inspection of the land to be made and finds that the conditions are as stated by the company; that the land could most conveniently be fenced by locating the fence on the outside of the road and on the outside of the pipe line in each case, thus including the strip between them within the fence; and that the land so enclosed would be useless for other purposes.

The Minister, therefore, recommends that he be authorized to grant to the company a license of occupation for the land required for the pipe line and roadway including the strip between them, comprising an area of some eighteen acres, twelve acres of which are on the north-west quarter of Section 7 and six acres on the north-east quarter.

The Committee advise that the requisite authority be granted.

RODOLPHE BOUDREAU,
Clerk of the Privy Council.

PRESENT:

HIS ROYAL HIGHNESS THE GOVERNOR GENERAL IN COUNCIL.

THE Minister of the Interior, under date 19th November, 1912, reports that it is desirable to have an investigation in relation to the conditions under which Mr. Albert Peever was granted preemption entry for the north west quarter of Seven, Twenty-nine, Twenty-five, west Fourth Meridian.

The Minister states that Mr. A. W. Wheeler was a disappointed applicant for the quarter section mentioned and claims that Mr. Peever was not entitled to make entry for this land because the latter had not enough improvements on his homestead.

The Minister, therefore, recommends that Mr. James Muir, K.C., of Calgary, in the Province of Alberta, be authorized, under the provisions of The Dominion Lands Act, paragraph (*g*), section seventy-six, chapter twenty, 7-8 Edward VII, to investigate the said question and for that purpose to summon by subpœna any person or persons, and examine such person or persons under oath and to compel the production of papers and writings at such investigation.

PRESENT:

HIS ROYAL HIGHNESS THE GOVERNOR GENERAL IN COUNCIL.

THE Minister of the Interior reports, under date 11th November, 1912, that in August, 1903, Mr. Reginald Newth obtained second homestead entry for the N.E. ¼ of Section 26, Township 23, Range 14, west of the Second Meridian, being permitted in October, 1905, to purshase the same at the current rate at $3.00 an acre, in lieu of the performance of homestead duties.

The Minister represents that as Mr. Newth was, at the time of obtaining entry for the above land and is still, an employee of the Department of the Interior, having been appointed sub-Agent of Dominion Lands at Lipton, in the Province of Saskatchewan, in October, 1900, he is debarred from acquiring any Dominion Lands.

The Minister recommends, as payment in full for the parcel under consideration has been made, that, under the provisions of section 84 of The Dominion Lands Act, the sale to Mr. Newth of the said N.E. ¼ of Section 26, Township 23, Range 14, West of the Second Meridian, be confirmed.

The Committee submit the foregoing recommendation for approval.

PRESENT:

HIS ROYAL HIGHNESS THE GOVERNOR GENERAL IN COUNCIL.

THE Minister of the Interior submits, under date 20th November, 1912, that by an Order in Council dated 30th January, 1904, provision was made that the Commissioner of the Yukon Territory might, upon approval by him of an application for permission to impound the surplus waters of any creek or gulch, withdraw from mining entry under the regulations in that behalf any vacant ground required as a reservoir site, or for any other purpose in connection with the storage of water.

The Minister states that on the 9th of June, 1904, the Commissioner of the Yukon Territory reserved for C. T. Dunbar and O. R. Brener, under the above authority, a tract of land situated on Chief Gulch, a tributary of Eldorado Creek in the said Territory, for the purpose of creating a reservoir thereon within which to store water for use for mining purposes.

That the officers of the Department of the Interior at Dawson have now reported that the reservation above referred to has not been utilized for the purpose of creating a reservoir, and that inquiries have been received as to when the lands affected would again become available for placer mining entry.

The Minister recommends, in view of the failure of the grantees to create a reservoir on the tract reserved, that he be authorized to again bring the tract reserved for the above purpose under the provisions of the Yukon Placer Mining Act.

The Committee submit the same for approval.

Friday, the 1st day of November, 1912.

PRESENT:

HIS EXCELLENCY THE DEPUTY GOVERNOR GENERAL IN COUNCIL.

THE Minister of the Interior reports, under date 29th October, 1912, that there is considerable demand in the vicinity of the Riding Mountain Forest Reserve for the cutting of birch and poplar timber, for use as fuel and in manufactures, and that he has had an examination made of a suitable tract of such timber on the north-east quarter of Section 36, Township 19, Range 16, west of the Principal Meridian, and finds that there are approximately 660 cords of birch and poplar timber thereon, which is mature and in part affected by a fungus which makes its utilization in the near future desirable.

The Minister states that he has had a valuation made of the said timber, and the value is estimated to be 25 cents per cord for poplar cordwood, 50 cents per cord for birch cordwood, and 75 cents per cord for birch bolts, a cord of the last being understood to be 4 feet by 5 feet by 8 feet.

The Minister, therefore, recommends that, under the authority of section 17 of the Dominion Forest Reserves and Parks Act, assented to on the 19th of May, 1911, he be authorized to dispose, subject to the regulations relating to forest reserves, of the timber on the said quarter section by public tender at upset prices of 25 cents per cord for poplar cordwood, 50 cents per cord for birch cordwood, and 75 cents per cord for birch bolts, a cord of the last being understood to be 4 feet by 5 feet by 8 feet.

The Committee advise that the requisite authority be granted.

Wednesday, the 6th day of November, 1912.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR GENERAL IN COUNCIL.

THE Minister of the Interior submits, under date 25th October, 1912, that an application has been made by the Brazeau Collieries, Limited, to have put up for sale two blocks of timber situated on the following described tracts of land in Township 40, Range 15, west of the 5th meridian ;

Block A—North half Section 6 : Sections 7, 8, 17, 18, 19, 20 south half 29.

Block B—North half Sections 13 and 14 ; Sections 23, 24, 25 south half 26.

The Minister further submits that he has had an examination made of the said land and finds that there are approximately 4,500,000 feet board measure of timber suitable for manufacture into lumber, and 9,700,000 lineal feet of mine props, and that the stand of timber, including the trees of smaller diameter, is even aged at about 240 to 280 years, is over mature, and is being attacked by insects, so that it is deteriorating in value, and it is desirable that it be cut, in order that the young trees on the tract may develop. A valuation was made of the said timber, and it is estimated that the timber has a value of at least $1.50 per thousand feet board measure, and the cordwood of twenty-five cents per cord ;

That the district in which this tract of timber is located is one in which there are large deposits of coal which are now being developed and for which timber will be required ;

The Minister, therefore, recommends that under the authority of sub-section (*b*) of section 17 of The Dominion Forest Reserves and Parks Act, assented to on the 19th May, 1911, he be authorized to dispose of the timber on the above described tracts of land by public auction at an upset price of $1.50 per thousand feet board measure for timber, subject to the regulations relating to Forest Reserves, and subject to the following conditions and such others not inconsistent therewith as the Minister may consider necessary :—

(1) That the person to whom the tract is awarded shall immediately deposit in cash the sum of five hundred dollars as security for the execution of the license to be granted to him and the fulfilment of the conditions thereof, which sum shall be forfeited for failure to execute the license or to fulfil the conditions thereof and shall be applied in payment of dues on the completion of the contract, and shall also before the execution of the license furnish bonds for an additional sum of five hundred dollars as security for the fulfilment of the contract ;

(2) That the purchaser shall furnish returns quarterly or at such times as may be designated by the Minister of the operations on the tract and the dues on the timber cut shall become due on the date fixed for the submission of such returns ;

(3) That the dues for mining props shall be computed on the basis of one lineal foot of a mining prop being equivalent to one and two-thirds feet board measure. The dues for cordwood shall be twenty-five cents per cord.

(4) That no trees shall be cut which are designated by the forest officer as being required to ensure the reproduction of the timber, the protection of the watershed or any other beneficial public service ;

(5) That the purchaser will take out all material that is merchantable from the timber cut, and shall not cause any unnecessary waste of timber ;

(6) That no unnecessary damage will be caused to the young growth or to any trees that are designated as not to be cut ;

(7) That the debris of logging operations will be piled and burned or otherwise disposed of in accordance with the instructions of the forest officer ;

(8) That the purchaser will take all necessary precautions to prevent the starting or spread of fire from his operations ;

(9) That for fighting fire in the vicinity of or threatening the tract, the purchaser will give free of charge the assistance of the men employed by him ;

(10) That the rights granted shall terminate at the expiration of eight years from the date of the sale of the tract.

The Committee concur in the foregoing and submit the same for approval.

Clerk of the Privy Council.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Friday, the 1st day of November, 1912.

PRESENT :

HIS EXCELLENCY THE DEPUTY GOVERNOR GENERAL IN COUNCIL.

THE Minister of the Interior submits, under date 29th October, 1912, that an application has been made to the Department of the Interior to have the timber on the east half of Section 33 and the west half of Section 34, Township 8, Range 4, west of the fifth Meridian, situated in the Rocky Mountains Forest Reserve, put up for sale and that he has had an examination made of the said land and finds that there are approximately 7,000,000 feet, board measure, of timber of which nearly two-thirds was killed by fire in 1910, and if left uncut for a much longer period, will become of little value.

The Minister states that he has had a valuation made of the said timber and it is estimated that the green timber, which is of very good quality, has a value of $2 per thousand feet board measure and that the dry timber, which had deteriorated considerably in value since the fire, has a value of $1 per thousand feet board measure.

The Minister, therefore, recommends that, under the authority of subsection (*b*) of section 17 of The Dominion Forest Reserves and Parks Act, assented to on the 19th May, 1911, he be authorized to dispose of the timber on the said section by public competition at upset prices per thousand feet board measure of $2 for green timber and $1 for dry timber, subject to the regulations relating to Forest Reserves.

The Committee submit the same for approval.

RODOLPHE BOUDREAU,
Clerk of the Privy Council.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Friday, the 1st day of November, 1912.

PRESENT:

HIS EXCELLENCY THE DEPUTY GOVERNOR GENERAL IN COUNCIL.

THE Minister of the Interior submits, under date 29th October, 1912, that a portable saw-mill permit was issued on the 11th of October, 1910, to Mr. G. R. Pelletier, giving him the right to cut timber on Berth 1711, which comprises the west ½ of Section 27 and the east half of Section 28, Township 8, Range 4, west of the Fifth Meridian, in the Crowsnest Division of the Rocky MountainsForet Reserve.

The Minister states that a renewal permit was issued extending the right to cut timber on this berth to the 11th of October, 1912, but no further renewal can be granted under the ordinary regulations. Mr. Pelletier has, however, applied for a renewal since there is a portion of the timber on the berth remaining uncut. Mr. Pelletier was unfortunate in having his mill destroyed by fire in January, so that his operations were considerably delayed. The timber on the berth is either fire-killed or over mature, and it appears advisable that the cutting be allowed to continue.

The Minister, therefore, recommends that under the authority of subsection (*b*) of section 17 of The Dominion Forest Reserves and Parks Act, assented to on the 19th of May, 1911, he be authorized to grant a permit to the said George R. Pelletier to cut timber on the said timber berth, No. 1711, subject to the payment of dues and to the restrictions for the conduct of the operations prescribed in connection with the original permit issued on the 11th of October, 1910, and also subject to the general regulations relating to forest reserves.

The Committee submit the same for approval.

21-4 Clerk of the Privy Council.

Thursday, the 14th day of November, 1912.

PRESENT:

HIS ROYAL HIGHNESS THE GOVERNOR GENERAL IN COUNCIL.

THE Minister of the Interior states, under date 4th November, 1912, that Mr. Leon Eauclaire has made application to acquire as a free grant 160 acres of land comprised in Lots numbered 5 and 6, in Range numbered 2, Fort Vermilion Settlement, in the Province of Alberta, by virtue of occupation of the land at the date of the extinguishment of the Indian title, and to purchase the excess area of 100 acres at the rate of $3.00 an acre.

That evidence has been submitted showing the applicant to have been in actual occupation of the land in question at the date of the conclusion of Indian Treaty No. 8, in the summer of 1899.

The Minister, therefore, recommends that under the provisions of subsection (*c*) of section 76 of The Dominion Lands Act, a free grant of 160 acres of Lots numbered 5 and 6, in Range numbered 2, Fort Vermilion Settlement, in the Province of Alberta, be authorized to Mr. Eauclaire, and that he be permitted to purchase the excess area of 100 acres at the rate of $3.00 an acre.

The Committee submit the same for approval.

The Minister recommends, as evidence has been submitted, showing the applicant to have placed valuable improvements on the land and to have been in residence thereon for over two years, that he be authorized to sell the said lot shown coloured pink on the plan attached and containing one acre, more or less, to Mr. Milburn, at a nominal rate of $5.00

PRESENT:

HIS EXCELLENCY THE DEPUTY GOVERNOR GENERAL IN COUNCIL.

WHEREAS application has been made, on behalf of the trustees of the Evangelical Lutheran Church of Frog Lake, in the Province of Alberta, for a grant of ten acres of land comprised in the southwest corner of the N.W.¼ of Section 10, Township 56, Range 4, West of the Fourth Meridian, for church purposes;

And whereas the Minister of the Interior is of the opinion that the application should receive favourable consideration, and the land in question is available according to the records of the Department of the Interior,—

Therefore the Governor General in Council, under the provisions of sub-section (*d*) of section 76 of The Dominion Lands Act, is pleased to set aside and appropriate for church purposes ten acres of land comprised in the southwest corner of the N.W. ¼ of Section 10, Township 56, Range 4, west of the Fourth Meridian, and to authorize a grant thereof to the trustees of the Evangelical Lutheran Church of Frog Lake, in the Province of Alberta, for the said purposes.

[3078]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Friday, the 1st day of November, 1912.

PRESENT :

HIS EXCELLENCY THE DEPUTY GOVERNOR GENERAL IN COUNCIL.

THE Minister of the Interior states, under date the 14th October, 1912, it is represented to the Department of the Interior that, owing apparently to some mis-apprehension as to the title to Section 11, in Township 9, Range 26, West of the 4th Meridian, the authorities of the Town of Macleod have erected expensive buildings and established a Water System on the portion of Section 11, Township 9, Range 26 West of the 4th Meridian, adjoining that Town ;

That upon the Department of the Interior being informed of this, it was at first proposed to surrender Section 11 in question, and to select in lieu for the School Lands Endowment another section of as nearly as possible the same value, and an inspection was made for that purpose of the undisposed of and available Dominion Lands in that part of the Province ;

That it was impossible, however, to find a section of anything like the same value as Section 11, which, owing to the fact that it is adjacent to the Town of Macleod, has a considerable value, and upon the question of an exchange being submitted to the Government of Alberta, that Government entered a strong protest against the proposed surrender of the School Section being carried out unless another section of equal value could be selected in lieu of it for the School Lands Endowment, and suggested that the best course would be to offer this land at public auction so as to afford the authorities of Macleod an opportunity of acquiring it.

As the Minister concurs in this suggestion, an inspection was ordered of the land required by the Town of Macleod, such inspection being made by the superintendent of school lands, who valued the land at $175 per acre, and reported that the Town of Macleod has constructed on the land inspected by him buildings consisting of a power house and exhibition building, and has also established water standpipes, water intake pipes, and distributing water mains of a total value of approximately $197,000.

The Minister observes that he is of the opinion that it is in the public interest that the Town of Macleod should be given an opportunity of acquiring the land necessary in connection with the buildings and water system established by the Town.

The Minister, therefore, recommends that he be authorized to offer for sale by public auction at an early date at the Town of Macleod the parcels of land required by the Town, and which are shown, coloured red, on the plan herewith, at an upset price of $175 per acre, the terms and conditions of sale to be in accordance with the provisions of The Dominion Lands Act in that regard.

The Committee submit the same for approval.

RODOLPHE BOUDREAU,
20-4 Clerk of the Privy Council.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Tuesday, the 5th day of November, 1912.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR GENERAL IN COUNCIL.

WHEREAS by Orders in Council of the 23rd January, 1896, and the 3rd May, 1900, the south-east quarter and the east half of the south-west quarter of Section 12, Township 19, Range 3, west of the 5th Meridian, were reserved for stock-watering purposes ;

And whereas these lands have been examined by an officer of the Department of the Interior, and a report made to the effect that they are no longer required for the purpose for which they were set aside,—

Thereforefore the Governor General is pleased to order and it is hereby ordered, that the said lands be withdrawn from reserve.

And whereas through a misunderstanding, the parcel of land so granted was described as above ;

And whereas it has since been found that the parcel, by actual survey, does not correspond with that actually granted ;

And whereas the parcel as surveyed is available according to the records of the Department of the Interior,—

Therefore the Governor General in Council is pleased to order that the description in the said Order in Council of the 6th day of June, 1912, shall be and the same is hereby amended to read as follows :—

WHEREAS under authority of a General Order in Council of 1886 a free grant of the southerly 10 acres of fractional Section 23, Township 29, Range 29A, west of the Principal Meridian, was made to La Corporation Archiépiscopale Catholique Romaine de St. Boniface for church purposes ;

And whereas it has been requested that, on account of the greater part of the land granted not being suitable for the intended purpose, a new grant be made of the 10 acres in the form of a square situated in the southeast corner of the section in question, such grant to be in lieu of the former one ;

And whereas the said 10 acres patented have been revested in the Crown and the land applied for in lieu thereof is available for the required purpose,—

Therefore, the Governor General in Council, under the provisions of subsection (*d*) of section 76 of The Dominion Lands Act, is pleased to set apart and appropriate for church purposes the said 10 acres of land comprised in the southeast corner of fractional Section 23, Township 29, Range 29A, west of the Principal Meridian, and to authorize a grant thereof to La Corporation Archiépiscopale Catholique Romaine de St. Boniface, for the said purpose.

WHEREAS application has been made by Mr. Pierre Andrews, Junior, for a free grant of Lot numbered 53, Heart River and Salt Prairie Settlement, in the Province of Alberta, by virtue of occupation of and residence on the land at the date of the extinguishment of the Indian title ;

AT THE GOVERNMENT HOUSE AT OTTAWA.

Thursday, the 14th day of November, 1912.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR GENERAL IN COUNCIL.

THE Minister of the Interior submits, under date the 8th November, 1912, that by an Order in Council dated the first of October, 1909, Mr. J. C. Maclure was permitted to purchase at the rate of $1.00 an acre the south-east quarter of Section 30, Township 19, east of the Coast Meridian, for brick manufacturing purposes, subject to the condition, however, that within three years from the date upon which the sale was authorized a plant, having a capacity of 5,000 bricks per week, should be erected on the property, and should have actually produced not less than 300,000 bricks.

The Minister states that evidence has been filed in the Department of the Interior to show that a plant having a capacity of 20,000 bricks per day has been erected in connection with this sale; that over 1,000,000 bricks have been manufactured by such plant ; that it was found impossible, however, on account of the sheer, precipitous character of the quarter section to erect the plant on the said property, and that adjoining property had been leased upon which to erect the necessary plant and establish the brick and sewer pipe industry at a cost of $140,000.00.

As it would appear that the character of the land sold to Mr. Maclure was such as to preclude the possibility of erecting thereon the required plant, and as the conditions of the Order in Council of the first of October, 1909, have otherwise been very fully complied with, the Minister recommends that he be authorized to accept the erection of this plant on adjoining lands as compliance with the conditions of the sale.

The Committee submit the same for approval.

Saturday, the 9th day of November, 1912.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR GENERAL IN COUNCIL.

THE Minister of the Interior submits, under date 6th November, 1912, that an application has been made to have put up for sale a tract of timber located on the southwest quarter of Section 3 and the southeast quarter of fractional Section 4, Township 8, Range 30, west of the third Meridian, and the southeast quarter of Section 1, Township 8, Range 1, west of the fourth Meridian, which land is within the Cypress Hills Forest Reserve.

The Minister states that he has had an examination made of the said land and finds that there are approximately 218,000 feet board measure of spruce timber, which is estimated to have a value of $1.50 per thousand feet. It has been reported to the Minister that there is great demand from settlers in the vicinity of the forest reserve for the lumber which may be manufactured from this timber, and that the cutting of the most mature trees will benefit the young growing trees of which there are a large number.

The Minister, therefore, recommends that under the authority of subsection (*b*) of section 17 of The Dominion Forest Reserves and Parks Act, assented to on the 19th May, 1911, he be authorized to dispose of the timber on the said land by public competition at an upset price of $1.50 per thousand feet, board measure, subject to the regulations for Forest Reserves.

The Committee submit the same for approval.

Every applicant for a Bill of Divorce shall give notice of his or her intended application, and shall specify therein from whom and for what cause such divorce is sought, and shall cause such notice to be published during at least three months before the consideration by the Committee on Divorce of his or her petition for the said Bill, in the *Canada Gazette* and in two newspapers published in the district in Quebec, Manitoba, Saskatchewan, Alberta, British Columbia or the Northwest Territories, or in the county or union of counties in other provinces, wherein such applicant usually resided at the time of the separation of the parties; but if the requisite number of papers cannot be found therein, then in an adjoining district or county or union of counties.

Notices given in the Provinces of Quebec and Manitoba are to be published in one English and one French newspaper, if there be such newspapers published in the district, but otherwise shall be published in one newspaper in both languages. If a notice given for any session of Parliament is not completed in time to allow the petition to be dealt with

during that session the petition may be presented and dealt with during the next ensuing session, without any further publication of such notice.

A copy of the said notice and a copy of the petition to be presented shall, at the instance of the applicant, and not less than two months before the consideration by the Committee of the petition, be served personally, when that can be done, on the person from whom the divorce is sought, who is hereinafter called "the respondent."

If the residence of the respondent is not known or personal service cannot be effected, then, if it be shown to the satisfaction of the Committee that all reasonable efforts have been made to effect personal service, and, if unsuccessful, to bring such notice and petition to the knowledge of the respondent, what has been done may be deemed and taken by the Committee as sufficient service.

No petition for a bill of divorce shall be presented to the Senate after the first sixty days of the Session.

The petition should also negative connivance at, or condonation of the wrong complained of and collusion in the application for divorce.

The allegations of the petition must be verified by declaration of the petitioner, under *The Canada Evidence Act, 1893.*

(c) The name and address of the solicitor, if any, acting for the respondent.

(d) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa upon whom all notices and papers may be served.

(6) That, if the respondent does not so notify the Clerk of the Senate, the petition may be considered, and a bill of divorce founded thereon may be passed, without any further notice to the respondent.

(7) When the petition is one by a husband for a divorce from his wife, that, if the wife shows to the satisfaction of the Senate Committee on Divorce that she has, and is prepared to establish upon oath, a good defence to the charges made by the petition, and that she has not sufficient money to defend herself, the Committee may make an order that her husband shall provide her with the necessary means to sustain her defence, including the cost of retaining Counsel and the travelling and living expenses of herself and of witnesses summoned to Ottawa on her behalf.

No petition for a bill of Divorce shall be considered by the Committee unless the applicant has paid into the hands of the Clerk of the Senate the sum of two hundred and ten dollars, ($210.)

The petition when presented to the Senate shall be accompanied by the evidence of the publication of the notice, and by declaration in evidence of the service of a copy of the notice and of a copy of the petition.

DÉPÊCHES, Etc.

Foreign Offce,
29 octobre 1912.

Le Principal Secrétaire d'Etat pour les Affaires Etrangères a reçu du Ministre de Sa Majesté à Sofia, un télégramme daté le 28 octobre à l'effet ci-dessous :—

> Le port de Bourgas a été miné et est en conséquence fermé à la navigation pour le présent.

—

Foreign Office,
31 octobre 1912.

Le Secrétaire d'Etat de Sa Majesté pour les Affaires Etrangères est d'avis qu'il serait bon d'énoncer que le fait qu'un navire britannique a été arrêté, détenu ou visité en mer par un navire de guerre d'une puissance belligérante n'est pas de soi une chose dont le propriétaire a le droit de se plaindre, ou qui, à moins de circonstances exceptionnelles, justifierait une action diplomatique par le gouvernement de Sa Majesté. Il doit aussi être compris que le Secrétaire d'Etat ne peut, à proprement parler, faire droit aux demandes d'armateurs et autres intéressés dans des cargaisons consignées à des ports dans la zone du théâtre de la guerre dans l'Orient, de relâcher immédiatement les navires arrêtés et détenus sur la haute mer pour la raison qu'ils portent de la contrebande de guerre, qu'ils se sont rendus coupables d'un bris de blocus, ou qu'ils rendent un service non neutre à un belligérant. Dans ces cas, les vaisseaux sont détenus dans l'exercice des droits de belligérants, et si des vaisseaux dans ces circonstances sont détournés de leur marche et amenés à un port belligérant, la question doit d'abord être étudiée par les tribunaux des prises du capteur. L'intervention diplomatique ne peut être convenablement invoquée que si, après que la décision finale des tribunaux des prises a été rendue, ce jugement semble être si contraire aux principes reconnus de la loi internationale qu'il constitue un déni de justice.

Foreign Office,
1er novembre 1912.

Le Secrétaire d'Etat de Sa Majesté pour les Affaires Etrangères a reçu du Ministre de Sa Majesté à Athènes la traduction d'une loi publiée dans la Gazette du Gouvernement grec du 8 (22) ult., concernant le transfert de navires marchands sous des pavillons neutres en temps de guerre.

Les termes de l'ordonnance sont comme suit :—

Article 1.

Le changement de pavillon d'un navire ennemi pour celui d'un navire neutre, lorsque la chose a lieu après le commencement des hostilités, est invalide, à moins qu'il ne soit prouvé que le changement n'a pas eu lieu comme un moyen d'éviter les conséquences encourues par le caractère ennemi du vaisseau.

Une preuve d'invalidité absolue existe—

1. Si le changement a lieu durant le voyage ou tandis qu'il est dans un port bloqué ;
2. Si le droit de rachat a été convenu ;
3. Si les conditions qui gouvernent le droit au pavillon, selon la législation du pays dont le pavillon est acquis, n'ont pas été observées.

Article 2.

Il est défendu aux navire grecs, durant la guerre, de changer leur pavillon pour celui d'un pays neutre sans la permission du Ministre de la Marine.

L'infraction de cette disposition est punie de l'emprisonnement jusqu'à 6 mois.

Article 3.

La présente loi entre en vigueur lors de sa publication dans la Gazette du Gouvernement.

LE ministre de l'Intérieur fait rapport, le 10 octobre 1912, qu'en vertu des dispositions de la *Loi d'Irrigation*, chapitre 61 des Statuts revisés du Canada, 1906, la compagnie dite " Lethbridge Collieries Limited " a été autorisée à faire des travaux pour détourner l'eau de la rivière Belly pour le service de ses mines et l'approvisionnement domestique de ses employés, et qu'en vertu de cette autorisation la compagnie a construit un établissement hydraulique et posé un tuyau de distribution dans la moitié nord de la section 7, township 9, rang 22, à l'ouest du 4e méridien.

Le Ministre représente qu'en vertu des dispositions de l'article 54 de la dite loi des règlements ont été établis concernant la concession de terres fédérales pour le passage d'un canal ou d'un tuyau de distribution, y compris une lisière marginale n'excédant pas vingt pieds d'un côté et dix pieds de l'autre côté et les voies d'accès pour les fins d'opération et de réparation. Ces règlements pourvoient aussi à la concession d'une lisière de terrain plus large, mais n'excédant pas dix acres par quart de section, s'il est démontré que ce terrain additionnel est nécessaire pour le bon fonctionnement du système.

Le Ministre représente que le tuyau de distribution de la compagnie, sur le terrain en question, suit une coulée étroite de telle manière qu'il est nécessaire de faire passer ce tuyau d'un côté du fond de la coulée et le chemin qui y donne accès de l'autre côté La compagnie demande un permis d'occupation pour le tuyau et le chemin, ainsi que la lisière de terrain qui les sépare.

Le Ministre représente aussi que le terrain en question est une réserve de quarantaine sous le contrôle du ministère de l'Agriculture et que ce ministère a consenti à permettre à la compagnie d'acquérir ce droit de passage à condition que le terrain soit clôturé et que les barrières nécessaires y soient installées.

Le Ministre ajoute qu'il a fait faire une inspection du terrain et qu'il constate que les conditions sont telles que représentées par la compagnie, que le terrain pourrait être convenablement clôturé en plaçant la clôture en dehors du chemin d'un côté et du tuyau de distribution de l'autre côté, bornant ainsi la lisière qui les sépare, et qu'enfin le terrain ainsi borné serait inutile pour toute autre fin.

Par conséquent, le Ministre demande l'autorisation d'accorder à la compagnie un permis d'occupation du terrain nécessaire au passage du tuyau de distribution et du chemin, y compris la lisière de terrain qui les sépare, et de quelque dix-huit acres additionels, dont douze situés dans le quart nord ouest et six dans le quart nord-est de la section 7.

Le comité recommande que l'autorisation nécessaire soit accordée.

Le Ministre de l'Intérieur fait rapport, le 11 novembre 1912, qu'au mois d'août 1903 M. Reginald Newth a obtenu une deuxième inscription de homestead pour le quart nord-est de la section 26, township 23, rang 14, à l'ouest du 2e méridien, permission lui étant accordée en octobre 1905 d'acheter ce terrain au prix courant de $3.00 l'acre au lieu d'avoir à remplir les obligations de homestead.

Le Ministre représente que l'achat des terres fédérales est interdit à M. Newth parce qu'il était lors de son inscription pour ce terrain et est encore un employé du Ministère de l'Intérieur, ayant été nommé en octobre 1900 sous-agent des terres fédérales à Lipton, dans la province de la Saskatchewan.

Comme le terrain en question a été entièrement payé, le Ministre recommande qu'en vertu des dispositions de l'article 84 de la *Loi des terres fédérales*, la vente à M. Newth du dit quart nord-est de la section 26, township 23, rang 14, à l'ouest du 2e méridien, soit confirmée.

Le comité soumet cette recommandation pour approbation.

Il plaît à Son Altesse Royale le Gouverneur général en conseil de décréter ce qui suit :

Les règlements établis par arrêté en conseil du 13 mai 1910 et modifiés par des arrêtés en conseil subséquents, régissant l'affermage et l'administration des terres contenant de la pierre calcaire, du granit, de l'ardoise, du marbre, du gypse, de la marne, du gravier, du sable et de la pierre à bâtir, dans les provinces du Manitoba, de Saskatchewan et d'Alberta et les Territoires du Nord-Ouest ainsi que dans les limites des vingt milles de chaque côté de la ligne-mère du chemin de fer Canadien du Pacifique dans la province de la Colombie-Britannique et des trois millions et demi d'acres de terre acquis de la Colombie-Britannique par le Gouvernement fédéral, sont par ces présentes modifiés de manière à comprendre l'affermage des terres fédérales contenant des dépôts d'argile, mais subordonnément, toutefois, aux conditions suivantes :

1. Le locataire d'un terrain pour l'extraction de l'argile devra, dans les deux ans de la date du bail, ériger sur le terrain qui y est décrit, ou sur des terrains acceptables au Ministre un établissement convenablement outillé pour la fabrication de la brique ou autres produits de l'argile, et il devra, durant la même période, fournir la preuve, appuyée d'une déclaration assermentée, démontrant la nature et la valeur de l'outillage installé et donnant la date de l'installation. Si l'outillage requis n'est pas installé dans le délai spécifié et si la preuve de son installation n'est pas fournie dans le même délai, le bail sera sujet à annulation à la discrétion du Ministre, pourvu, toutefois, que le Ministre n'exige pas que la valeur de l'outillage ainsi installé excède la somme de $10,000.

2. Le locataire d'un terrain pour l'extraction de l'argile devra, au cours de chaque année de la durée du bail après la deuxième année, fabriquer avec l'argile extraite de ce terrain et produire prêtes pour l'expédition au moins 100,000 briques, ou leur équivalent en quelque autre produit de l'argile, à la satisfaction du Ministre. Si au cours d'une année après la deuxième année de la durée du bail, le locataire ne fabrique pas les quantités spécifiées, ou ne fournit pas la preuve satisfaisante qu'il l'a fait, le bail sera sujet à annulation immédiate à la discrétion du Ministre.

Le Ministre de l'Intérieur fait rapport, le 19 novembre 1912, qu'il est opportun de faire une enquête concernant les conditions dans lesquelles l'inscription de préemption a été accordée à M. Albert Peever pour le quart nord-ouest de la section 7, township 29, rang 25, à l'ouest du 4e méridien.

Le Ministre représente que M. A. S. Wheeler a été un des requérants déçus dans l'inscription de ce quart de section et prétend que M. Peever n'avait pas droit à l'inscription pour ce terrain parce qu'il n'avait pas fait d'améliorations suffisantes sur son homestead.

Par conséquent, le Ministre recommande que M. James Muir, C.R., de Calgary, dans la province d'Alberta, soit autorisé, en vertu des dispositions de la *Loi des terres fédérales*, paragraphe (*g*), article 76, chapitre 20, 7-8 Edouard VII, à s'enquérir de la dite question et, à cette fin, à citer devant lui par bref d'assignation toute personne qu'il juge à propos et à l'examiner sous serment et à exiger la production à cette enquête de papiers et documents.

Le comité soumet cette recommandation pour approbation.

Le Ministre de l'Intérieur représente, le 18 novembre 1912, que par un arrêté en conseil du 31 mai 1912 le bail a été cédé à la compagnie dite " The Yellowhead Pass Coal and Coke Company ", concessionnaires de certaines mines de houille dans la partie nord de la province d'Alberta, des droits de surface d'une certaine partie de la section 6, township 29, rang 21, à l'ouest du 5e méridien, lequel terrain recouvre les mines de houille auxquelles la compagnie a acquis les droits par son bail.

Le Ministre ajoute que les mines de houille auxquelles la compagnie a acquis les droits par bail sont situées dans le township 49, rang 21, à l'ouest du 5e méridien, mais que par erreur typographique les droits de surface demandés par la compagnie ont été décrits dans l'arrêté en conseil susdit comme étant situés dans le township 29, au lieu du township 49, rang 21, à l'ouest du 5e méridien.

Par conséquent, le Ministre recommande que l'arrêté en conseil du 31 mai 1912 soit modifié en conséquence.

Le Ministre de l'Intérieur représente, le 15 novembre 1912, que l'inscription de homestead et la préemption ont été accordées à M. H. O. Miller pour la moitié sud de la section 27, township 6, rang 17, à l'ouest du 4e méridien, le 17 septembre 1908, et qu'aucune défense n'ayant été présentée dans les procédures en annulation subséquemment instituées, ces inscriptions ont été annulées par défaut le 26 juin 1911 et une nouvelle inscription a été accordée à M. J. A. Holmerson.

Le Ministre ajoute qu'il a été représenté au Ministère de l'Intérieur que MM. Miller et Holmerson ont passé un contrat illégal concernant cette demi-section, et que dans les circonstances il est jugé opportun de faire une enquête en cette affaire.

En vue de ce qui précède, le Ministre recommande que M. H. G. Cuttle, de Brandon dans la province de Manitoba, inspecteur des agences des terres fédérales, soit autorisé, en vertu des dispositions de la *Loi des terres fédérales*, paragraphe (*g*), article 76, chapitre 20, 7-8 Edouard VII, à s'enquérir de la dite question et, à cette fin, à citer devant lui par bref d'assignation toute personne qu'il juge à propos et à l'examiner sous serment et à exiger la production à cette enquête de papiers et documents.

LE Ministre de l'Intérieur représente, le 20 novembre 1912, qu'un arrêté en conseil daté le 30 janvier 1904 décrète que le Commissaire du Yukon, après avoir approuvé une demande de permission d'emmagasiner le surplus des eaux d'un creek ou d'une coulée, peut soustraire à l'enregistrement minier prescrit par les règlements à cet effet tout terrain vacant requis pour l'emplacement d'un réservoir, ou pour toute autre fin en rapport avec l'emmagasinage de l'eau.

Le Ministre représente que le 9 juin 1904 le Commissaire du Territoire du Yukon, en vertu de cette autorité, a mis en réserve pour C. T. Dunbar et O. R. Brener un terrain situé sur la coulée Chief, un tributaire du creek Eldorado, dans le dit territoire, afin d'y établir un réservoir pour l'emmagasinage de l'eau pour les fins minières.

Le Ministre ajoute que les fonctionnaires du Ministère de l'Intérieur à Dawson ont fait rapport que la réserve susdite n'avait pas été utilisée pour l'établissement d'un réservoir et que des demandes de renseignement avaient été reçues quant à la dates où ces terres seraient disponibles pour l'enregistrement minier.

Considérant que les concessionnaires n'ont pas établi de réservoir sur le terrain mis en réserve, le Ministre demande l'autorisation de subordonner de nouveau aux dispositions de la loi minière du Yukon le terrain mis en réserve pour les fins susdites.

Le comité soumet cette demande pour approbation.

LE Ministre de l'Intérieur représente, le 8 novembre 1912, qu'un arrêté en conseil du 1er octobre 1909, permettait à M. J. C. Maclure d'acheter au prix de $1 l'acre le quart sud-est de la section 30, township 19, à l'est du méridien de la côte, pour la fabrication de la brique, mais sujet toutefois à la condition que dans le cours de trois ans de la date de l'autorisation de la vente il serait établi sur ce terrain une briqueterie pouvant fabriquer 5,000 briques par semaine et qu'il aurait, de fait, été fabriqué 300,000 briques au moins.

Le Ministre ajoute que la preuve a été soumise au Ministère de l'Intérieur qu'il avait été érigé sur le terrain ainsi vendu une briqueterie produisant 20,000 briques par jour et que plus de 1,000,000 de briques y ont été fabriquées. Toutefois, vu la nature escarpée de ce quart de section, il a été impossible d'y ériger une briqueterie, et une propriété voisine a été louée pour y installer l'outillage nécessaire et y établir l'industrie de la fabrication de la brique et des tuyaux d'égout au coût de $140,000.

Comme il appert que la nature du terrain vendu à M. Maclure est telle qu'elle rend impossible l'érection de la briqueterie, et comme les conditions de l'arrêté en conseil du 1er octobre 1909 ont, sous tous autres rapports, été remplies, le Ministre demande l'autorisation d'accepter l'érection de cette briqueterie sur les terrains contigus comme satisfaisant aux conditions de la vente.

Le comité soumet cette demande pour approbation.

ATTENDU que les syndic de l'église dite "Swedish Evangelical Lutheran Bethel Church", de Kelliher dans la province de la Saskatchewan, ont demandé la concession de 6.25 acres de terre situés dans le coin sud-ouest de la moitié sud de la section fractionnaire 1, township 27A, rang 13A, à l'ouest du 2e méridien, pour les fins d'un cimetière.

Et attendu que le terrain en question est disponible pour les fins susdites et que le Ministre de l'Intérieur est d'avis que la demande devrait être accordée ;

Par conséquent, il plaît au Gouverneur général en conseil, en vertu des dispositions du paragraphe (*d*) de l'article 76 de la *Loi des terres fédérales*, de mettre en réserve et d'affecter aux fins d'un cimetière 6.25 acres de terre compris dans le coin sud-ouest de la moitié sud de la section fractionnaire 1, township 27A, rang 13A, à l'ouest du 2e méridien, et d'en autoriser la concession aux syndics de l'église dite "Swedish Evangelical Lutheran Bethel Church", de Kelliher, dans la province de Saskatchewan, pour les fins susdites.

LE Ministre de l'Intérieur représente, le 6 novembre 1912, que demande a été faite de faire mettre en vente un terrain boisé situé dans le quart sud-ouest de la section 3 et le quart sud-est de la section fractionnaire 4, township 8, rang 30, à l'ouest du 3e méridien, et le quart sud-est de la section 1, township 8, rang 1, à l'ouest du 4e méridien, lequel terrain est compris dans la réserve forestière de Cypress Hills.

Le Ministre ajoute qu'il a fait faire un examen du terrain susdit et qu'il constate qu'il s'y trouve approximativement 218,000 pieds (mesure de planche) d'épinette, dont la valeur est estimée à $1.50 les mille pieds. Rapport a été fait au Ministre que le bois de service qu'on pourrait tirer de ce terrain est en grande demande parmi les colons établis dans le voisinage de cette réserve forestière et que l'abatage des vieux arbres favoriserait la croissance des jeunes arbres qui poussent en grand nombre sur cette réserve.

Par conséquent, le Ministre recommande qu'en vertu du paragraphe (*b*) de l'article 17 de la Loi des réserves forestières et des parcs fédéraux, sanctionnée le 19 mai 1911, il soit autorisé à vendre à l'enchère publique le bois qui croît sur ce terrain au prix de mise de $1.50 les mille pieds (mesure de planche) subordonnément aux règlements concernant les réserves forestières.

PRÉSENT :

SON EXCELLENCE LE SUPPLÉANT DU GOUVERNEUR GÉNÉRAL EN CONSEIL.

ATTENDU qu'un arrêté en conseil du 6e jour de juin 1912, basé sur les dispositions du paragraphe (*c*) de l'article 76 de la *Loi des terres fédérales*, a autorisé la concession au Synode du diocèse de Saskatchewan des subdivisions légales 5, 6, 11 et 12 de la section 2, township 51, rang 7, à l'ouest du 3e méridien, contenant 160 acres.

Et attendu que par malentendu le terrain ainsi concédé a été décrit comme ci-dessus ;

Et attendu qu'il a depuis été découvert, après arpentage, que le terrain susdit ne correspond pas à celui qui a réellement été concédé ;

Et attendu que le terrain en question, ainsi que délimité par l'arpentage, est disponible d'après les registres du Ministère de l'Intérieur,—

Par conséquent, il plaît au Gouverneur général en conseil de décréter que la description contenue dans l'arrêté en conseil du 6e jour de juin 1912 soit par ces présentes modifiée de la manière suivante :

Commençant à un poteau en bois sur un monticule situé à 233 chaînes à l'est et 161 chaînes et 50 chainons au nord du coin sud-ouest de la réserve indienne n° 104 ; de là franc nord pour une distance de 40 chaînes jusqu'à un poteau en bois sur un monticule ; de là franc est sur une distance de 40 chaînes jusqu'à un poteau en bois sur un monticule ; de là franc sud sur une distance de 40 chaînes jusqu'à un poteau en bois sur un monticule ; de là franc ouest sur une distance de 40 chaînes, plus ou moins, jusqu'au point de départ, le tout couvrant une superficie de 160 acres plus ou moins.

PRÉSENT :

SON EXCELLENCE LE SUPPLÉANT DU GOUVERNEUR GENERAL EN CONSEIL.

LE Ministre de l'Intérieur fait rapport, le 14 octobre 1912, que des représentations ont été faites au Ministère de l'Intérieur comportant qu'en conséquence de certaine erreur quant au titre de la section 11, township 9, rang 26, à l'ouest du 4e méridien, les autorités de la ville de Macleod ont érigé des bâtiments coûteux et établi un système d'approvisionnement d'eau sur la partie de la section 11, township 9, rang 26, à l'ouest du 4e méridien, avoisinant la ville.

Lorsqu'il fut avisé de ce fait le Ministère de l'Intérieur eut d'abord l'intention de céder la section 11 en question et de choisir à sa place pour le fonds des écoles une autre section ayant autant que possible la même valeur, et à cette fin une inspection fut faite des terres fédérales disponibles dans cette partie de la province.

Toutefois, il fut impossible de trouver une section ayant à peu près la même valeur que la section 11 qui, vu le fait qu'elle est voisine de la ville de Macleod, a une valeur considérable. La question de l'échange ayant été soumise au gouvernement d'Alberta, ce gouvernement protesta énergiquement contre la concession de la section scolaire, à moins qu'une autre section de valeur égale fut choisie pour le fonds des écoles, et il suggéra que ce qu'il y avait de mieux à faire était d'offrir des terres en vente à l'enchère publique afin de donner aux autorités de la ville de Macleod l'occasion d'acheter cette section.

Cette suggestion ayant été approuvée par le Ministre une inspection du terrain requis par la ville de Macleod fut faite par le surintendant des terres des écoles, qui évalua le terrain à $175 l'acre et fit rapport que cette ville y avait érigé des bâtiments consistant en une usine hydraulique et un édifice d'exposition, et qu'elle a de plus installé des tuyaux d'alimentation, des tuyaux de prise d'eau et des conduites de distribution d'une valeur totale d'environ $197,000.

Le Ministre ajoute qu'il est d'avis qu'il serait de l'intérêt public que l'occasion soit donnée à la ville de Macleod d'acheter le terrain nécessaire en rapport avec les bâtiments susdits et le système d'approvisionnement d'eau établi par la ville.

Par conséquent, le Ministre demande l'autorisation d'offrir en vente à l'enchère publique à une date prochaine, dans la ville de Macleod, les terrains requis par la ville, indiqués en rouge sur le plan annexé, au prix de mise de $175 l'acre, les conditions de la vente devant être conformes aux dispositions de la *Loi des terres fédérales* sous ce rapport.

Le comité soumet cette demande pour approbation.

ATTENDU qu'en vertu d'un arrêté général en conseil en 1886, dix acres de la section fractionnaire 23, township 29, rang 29A, à l'ouest du méridien principal, ont été gratuitement concédés à la Corporation Archiépiscopale Catholique Romaine de St-Boniface, pour les fins d'une église ;

Et attendu que la majeure partie du terrain concédé n'étant pas propre aux fins susdites, on a demandé une nouvelle concession de 10 acres couvrant un carré situé dans le coin sud-est de la dite section, cette dernière concession devant remplacer la première ;

Et attendu que la Couronne a repris possession des dix acres concédés et que le terrain demandé en remplacement est disponible pour les fins susdites,—

Par conséquent, il plaît au Gouverneur général en conseil, en vertu des dispositions du paragraphe (*d*) de l'article 76 de la *Loi des terres fédérales*, de mettre en réserve et d'affecter aux fins d'une église dix acres de terre compris dans le coin sud-est de la section fractionnaire 23, township 29, rang 29A, à l'ouest du méridien principal, et d'en autoriser la concession à la Corporation Archiépiscopale Catholique Romaine de St-Boniface, pour les fins susdites.

LE Ministre de l'Intérieur fait rapport, le 29 octobre 1912, que le bois de bouleau et de peuplier est en grande demande, pour le combustible et les fins de fabrication, dans le voisinage de la réserve de "Riding Mountain Forest," et qu'il a fait faire une inspection d'un massif de ces bois dans le quart nord-ouest de la section 36, township 19, rang 16, à l'ouest du méridien principal, et qu'il constate qu'il s'y trouve approximativement 660 cordes de bouleau et de peuplier dans un état de maturité trop avancé et sujets aux attaques d'un champignon, ce qui rend désirable leur utilisation prochaine.

Le Ministre représente qu'il a fait évaluer ce bois et que la valeur en est estimée à 25 cents la corde pour le peuplier, 50 cents la corde pour le bouleau et 75 cents la corde pour les billes de bouleau, la corde de ces billes mesurant 4 pieds par 5 pieds par 8 pieds.

Par conséquent le Ministre recommande qu'en vertu des dispositions de l'article 17 de la loi des réserves forestières et des parcs fédéraux, sanctionnée le 19 mai 1911, il soit autorisé, sujet aux règlements concernant les réserves forestières, à mettre en vente à l'enchère publique le bois du dit quart de section au prix de mise de 25 cents la corde pour le peuplier, 50 cents la corde pour le bouleau et 75 cents la corde pour les billes de bouleau, la corde de ces billes mesurant 4 pieds par 5 pieds par 8 pieds.

DEMANDES AU PARLEMENT.

CHAMBRE DES COMMUNES.

RÈGLES RELATIVES AUX PÉTITIONS ET AUX BILLS PRIVÉS.

88. (1) Les pétitions pour bills privés ne sont reçues par la Chambre que si elles sont présentées pendant les six premières semaines de la session, et tout bill privé sera présenté à la Chambre dans les deux semaines à compter de l'époque où l'Examinateur ou le comité des ordres permanents auront fait un rapport favorable sur la pétition, et nulle motion à l'effet de suspendre cette règle ne sera acceptée, à moins qu'au préalable le comité des ordres permanents n'ait présenté un rapport recommandant cette suspension et exposant les raisons la motivant.

Instruction aux comités.

97. Qu'il soit enjoint à tous les comités sur bills privés, dans le cas où les promoteurs ne seraient point prêts à procéder avec leurs mesures quand celles-ci auront été appelées deux fois en deux occasions différentes devant le comité pour y être discutées, de rapporter ces mesures à la Chambre sans délai, faisant connaître les faits, et avec la recommandation que ces bills soient retirés.

Dépôt de bills et honoraires.

89. (1) Toute personne qui voudra obtenir un bill privé sera tenu de déposer entre les mains du greffier de la Chambre, au moins huit jours avant la réunion de la Chambre, un exemplaire de ce bill en anglais ou en français, avec une somme suffisante pour en payer la traduction et l'impression, la traduction en devant être faite par les fonctionnaires de la chambre, et l'impression par le département des impressions publiques, et si pareil bill n'est pas déposé dans le délai ci-dessus prescrit, le solliciteur devra, en sus des frais d'impression et de traduction, payer la somme de cinq dollars pour chaque jour qui s'écoulera entre le dit huitième jour avant la réunion de la Chambre et la date de la présentation du bill ; mais ces taxes additionnelles ne devront pas dépasser en totalité la somme de deux cents dollars.

2. Après la deuxième lecture d'un bill et avant son examen par le comité auquel il a été renvoyé, celui qui en fait la demande doit dans tous les cas verser le prix de l'impression de la loi dans les statuts ainsi qu'un droit de deux cents piastres.

Taxes supplémentaires.

5. Quand un bill est à l'effet d'augmenter ou tend à augmenter pour une compagnie sa faculté d'emprunter, sans qu'il y ait augmentation du capital social, le droit additionnel est de $300.

6. Si, à quelque phase d'un bill, il est apporté quelque augmentation au chiffre du capital social projeté d'une compagnie, ou à celui de sa faculté d'emprunter, le bill ne passe pas à la phase subséquente tant que les droits découlant de ce changement n'ont pas été versés.

SENAT.

SUBSTANCE DES RÈGLES ET FORMES DE PROCÉDER DU SÉNAT CONCERNANT LES BILLS DE DIVORCE.

Telles que revisées et mises en vigueur le 22 mars 1906.

Tout pétitionnaire en divorce doit annoncer son intention de demander un bill de divorce, par un avis spécifiant contre qui et pour quelle cause le divorce sera demandé ; il fait insérer cet avis, pendant trois

mois au moins avant la prise en considération par le comité des divorces de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux—du district où il avait sa résidence habituelle à l'époque de sa séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Saskatchewan, l'Alberta, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province ; et à défaut de ce nombre de journaux, l'avis doit se publier dans le district, le comté ou les comtés-unis voisins.

Dans les provinces de Québec et du Manitoba, les insertions doivent se faire dans un journal anglais et un journal français, s'il en existe des deux langues dans le district ; autrement, elles se font en anglais et en français au même journal. Si l'avis donné pour une session expire trop tard pour qu'il puisse être statué sur la pétition pendant cette session, la pétition pourra être présentée et accueillie à la session suivante sans nouvelle publication d'avis.

Une copie de cet avis et une copie de la pétition qui sera présentée doit, à la diligence du pétitionnaire et au moins deux mois avant la prise en considération de la pétition par le comité, être signifiée en main propre si cela est possible, à la personne contre laquelle le divorce sera demandé, ci-après appelée " partie défenderesse ".

Si la résidence de la partie défenderesse n'est pas connue, ou que la remise de l'avis ne peut être faite en ses mains, s'il est prouvé, d'une manière jugée satisfaisante par le comité, que tous les efforts raisonnables ont été faits pour opérer la signification en main propre, et, en cas d'inutilité de ces efforts, pour porter l'avis et la pétition à la connaissance de la partie défenderesse, ces diligences peuvent être tenues pour une suffisante notification.

Aucune pétition en divorce n'est recevable après l'expiration des soixante premiers jours de la session.

Toute pétition en divorce doit être écrite lisiblement et porter la signature du pétitionnaire. Elle énonce sommairement le fait du mariage, en indiquant les noms au long, l'âge et l'état des parties, en quel temps, en quel lieu et par qui a été faite la célébration ; le domicile et la résidence de chacune des parties à l'époque du mariage, leur domicile conjugal, leur résidence et tout changement qui en aurait eu lieu ; les faits essentiels sur lesquels est fondée la demande de redressement et la nature du redressement demandé.

La pétition doit aussi contenir l'assurance qu'il n'y a pas eu ni connivence, ni pardon pour les torts qui donnent lieu à la plainte, ni collusion dans la demande en divorce.

Les allégations de la pétition doivent être appuyées d'une déclaration du pétitionnaire, faite conformément à l'*Acte de la preuve en Canada, 1893.*

La copie de la pétition signifiée à la partie défenderesse portera en endos ou en annexe les renseignements suivants :

(*1*) La résidence du pétitionnaire à l'époque de la signification.

(*2*) Une adresse postale en Canada à laquelle les lettres et avis pour le pétitionnaire puissent être délivrés.

(*3*) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour le pétitionnaire.

(*4*) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(*5*) Si la partie défenderesse veut s'opposer à la demande en divorce et être entendue par le comité des divorces du Sénat, elle doit adresser un avis à cet effet au greffier du Sénat aux édifices du Parlement, Ottawa, dans les deux mois de la signification faite à la partie défenderesse et donner dans cet avis au greffier du Sénat :

(*a*) La résidence de la partie défenderesse à l'époque de l'envoi de l'avis.

(*b*) Une adresse postale en Canada à laquelle les lettres et avis pour la partie défenderesse puissent être délivrés.

(*c*) Le nom et l'adresse de l'avocat, s'il y en a un agissant pour la partie défenderesse.

(*d*) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(*6*) Si la partie défenderesse ne notifie pas ainsi le greffier du Sénat, la pétition peut être prise en considération, et un bill de divorce basé sur cette pétition peut suivre son cours sans autre avis à la partie défenderesse.

(*7*) Lorsque la pétition est présentée par un mari pour obtenir le divorce contre sa femme, si celle-ci fait voir au comité d'une manière satisfaisante qu'elle peut opposer et qu'elle est prête à produire sous serment de bons moyens de défense contre les accusations portées dans la pétition, et qu'elle n'a pas l'argent nécessaire pour faire valoir ces moyens, le comité peut rendre un ordre que son mari ait à lui fournir la somme nécessaire pour qu'elle puisse présenter sa défense en retenant les service d'un conseil, payer ses frais de voyage et de séjour et ceux des témoins assignés de sa part à Ottawa.

La pétition en obtention d'un bill de divorce n'est prise en considération par le comité que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de $210.

La pétition, au moment de sa présentation au Sénat doit être accompagnée de la preuve de la publication d'avis et d'une déclaration établissant qu'une copie de l'avis de la pétition a été signifiée.

Une copie de toute pétition en obtention d'un bill de divorce, ou relative à quelque demande de divorce,—et une copie de tous documents et papiers accompagnant cette pétition, ou à produire devant le comité, devra être fournie par la personne au nom de laquelle la pétition, les documents ou les papiers seront présentés ou produits.

SAML. E. ST. O. CHAPLEAU,
Greffier du Sénat.

Avis de bills privés.

EXTRAIT DES RÈGLES DU SÉNAT.

107. Toute demande au Parlement, pour obtenir un bill privé, de quelque nature qu'il soit, doit être annoncée par avis inséré à la *Gazette du Canada ;* cet avis doit indiquer d'une manière claire et précise la nature et l'objet de la demande, être signé par les pétitionnaires ou en leur nom et contenir l'adresse des signataires ; et si elle a pour objet l'obtention d'un acte constitutif, il faut donner aussi dans l'avis le nom de la compagnie projetée.

Outre l'avis à insérer dans la *Gazette du Canada,* il doit en être publié un semblable, comme il suit :—

A. Lorsque la demande a pour objet l'obtention d'un acte constituant en corporation,—

1. Une *compagnie de chemin de fer ou de canal,*—dans un des principaux journaux de la principale cité ou ville ou le principal village de chaque comté ou district par où passerait le chemin de fer ou le canal dont la construction est projetée ;

2. Une *compagnie de télégraphe ou de téléphone,*—dans un des principaux journaux de la principale cité ou ville de chaque province ou territoire où elle se propose d'opérer ;

3. Une *compagnie pour la confection de travaux quelconques,* dont la confection ou l'exploitation intéresserait spécialement telle localité particulière ; ou une compagnie tendant à obtenir des droits ou privilèges exclusifs, ou l'autorisation de faire une chose dont l'opération pourrait porter atteinte aux droits ou à la propriété d'autrui,—dans un des principaux journaux de l'endroit ou des endroits que l'acte demandé intéresse ;

4. Une *compagnie de banque ;* une *compagnie d'assurance ;* une *compagnie de crédit ;* une *compagnie de prêt* ou une *compagnie industrielle,* sans pouvoirs exclusifs —dans la *Gazette du Canada* seulement ;

5. Et si les travaux d'une compagnie (constituée ou à constituer) doivent être déclarés d'utilité générale pour le Canada, cette intention sera spécifiquement

mentionnée dans l'avis ; et les requérants feront envoyer par lettre enregistrée une copie de cet avis au secrétaire de chaque conseil de comté et de chaque corporation municipale spécialement intéressée dans la construction ou l'exploitation de ces travaux, ainsi qu'au secrétaire de la province dans laquelle ces travaux sont ou seront situés ; et la preuve de l'accomplissement de cette prescription par les requérants devra s'établir par une déclaration statutaire.

B. Lorsque la demande a pour objet de modifier un acte existant,—

1. Afin de prolonger une ligne de chemin de fer ou un canal, ou de construire des embranchements qui s'y relient, l'avis sera le même, *mutatis mutandis*, que celui pour l'obtention d'un acte constituant en corporation une compagnie de chemin de fer ou de canal ;

2. Afin de proroger le délai fixé pour la confection ou l'achèvement d'une ligne de chemin de fer, d'un canal, d'une ligne télégraphique ou téléphonique, ou d'autres travaux quelconques déjà autorisés,—dans un des principaux journaux de l'endroit où la compagnie a son siège ou est autorisée à avoir son siège ;

3. Afin d'étendre les pouvoirs d'une compagnie (sans attribution de pouvoirs exclusifs) ; d'accroître ou de réduire le capital-actions d'une compagnie, ou d'augmenter ou modifier sa faculté d'émettre des obligations ou de faire des emprunts, ou d'effectuer des changemeuts pouvant porter atteinte aux droits ou intérêts des actionnaires, obligataires ou créanciers de la compagnie, —dans un des principaux journaux du lieu de la situation de son siège.

c. Dans tous ces cas, les avis insérés soit à la *Gazette du Canada* ou dans les journaux, doivent se publier au moins une fois par semaine pendant cinq semaines consécutives ; et, lorsqu'ils se publient dans les provinces de Québec et du Manitoba, ils doivent être en langue anglaise et en langue française. Il faut envoyer au greffier du Sénat des exemplaires *marqués* de chaque numéro de tous les journaux contenant l'avis, avec, sur le pli de la feuille, les mots : "*Avis de bill privé*" ; ou l'on peut transmettre, au lieu des journaux, une déclaration statutaire que l'avis a été dûment publié.

Tout avis par lettre enregistrée sera déposé à la poste à temps pour parvenir au Secrétaire de la province et au greffier de chaque conseil de comté et de chaque corporation municipale cinq semaines au moins avant la considération de la pétition par le comité des Ordres permanents ; et une déclaration statutaire établissant le fait du dépôt à la poste sera transmise au greffier du Sénat.

108. Nulle pétition pour la constitution en corporation d'une compagnie de chemin de fer ou d'une compagnie de canal, ou pour l'extension de la ligne d'un chemin de fer ou d'un canal existant ou autorisé, n'est prise en consideration par le comité des Ordres Permanents, à moins qu'il n'ait été déposé devant le comité une carte ou un plan indiquant le tracé proposé des travaux ainsi que les comtés ou les districts par où doit passer le chemin de fer, le canal, l'embranchement ou le prolongement qu'on veut construire.

109. Avant d'adresser au Sénat la pétition pour en obtenir la permission de présenter un bill privé ayant pour objet la construction d'un pont de péage, la ou les personnes qui ont l'intention de faire cette pétition doivent, en donnant l'avis prescrit par les règles précédentes mentionner en même temps et de la même manière, les péages qu'elles se proposent de percevoir, l'étendue du privilège, la hauteur des arches, l'espace libre entre les culées ou les piles pour le passage des trains de bois et des bateaux ; en outre, mentionner si le pont sera mobile ou non, et indiquer les dimensions de la partie mobile.

110. Aucune pétition en obtention d'un bill privé n'est reçue par le Sénat après les trois premières semaines de la session ; aucun bill privé ne peut lui être présenté après les quatre premières semaines de la session ; aucun rapport d'un comité permanent ou spécial sur un bill privé n'est reçu après les six premières semaines de la session.

114. Toute personne qui voudra obtenir un bill privé, si elle se propose de le présenter au Sénat, devra déposer entre les mains du greffier de cette Chambre, huit jours avant la réunion du Parlement, une copie du bill en langue anglaise ou en langue française, avec une somme d'argent suffisante pour en payer la traduction, laquelle sera faite par les traducteurs du Sénat, et payer l'impression de 600 exemplaires anglais et de 200 exemplaires français ; elle aura pareillement à verser entre les mains du greffier du Sénat, aussitôt après la deuxième lecture du bill, et avant la prise en considération par le comité auquel il aura été renvoyé, une somme de $200, avec les frais d'insertion de l'acte au corps des Statuts ; et elle remettra au commis-greffier du comité un reçu constatant le versement de ces sommes.

DESPATCHES, Etc.

Foreign Office,
November 15, 1912.

His Majesty's Secretary of State for Foreign Affairs has received a telegram from His Majesty's Ambassador at Constantinople, stating that the Turkish Government have declared coal to be contraband of war. His Excellency has made enquiry of the Turkish authorities as to the exact scope of this declaration.
23-2

Foreign Office.
November 18, 1912.

With reference to the notification published in the *London Gazette* of the 5th instant, His Majesty's Minister at Athens has reported by telegraph to His Majesty's Secretary of State for Foreign Affairs that the Greek Government have again declared fuel and lubricants to be absolute contraband of war if consigned to any Turkish port. 23-2

Foreign Office,
October 29th, 1912.

HIS Majesty's Principal Secretary of State for Foreign Affairs has received, from His Majesty's Minister at Sofia, a telegram dated October 28th, to the following effect :—

The Port of Bourgas has been mined and is consequently closed to shipping for the present.

Foreign Office,
October 31st, 1912.

His Majesty's Secretary of State for Foreign Affairs thinks it would be as well to state that the fact that a British Merchant vessel has been stopped, visited, or searched at sea by a warship of a belligerent Power is not of itself a matter of which the owner has a right to complain, or which would, unless in exceptional circumstances, justify diplomatic action by His Majesty's Government. It should also be understood that the Secretary of State cannot properly comply with requests of shipowners and others interested in cargoes consigned to ports within the theatre of war in the East, to demand the immediate release of vessels stopped and detained upon the high seas on the ground that they are carrying contraband of war, have been guilty of breach of blockade, or are rendering unneutral service to a belligerent. Vessels are detained in such cases in the exercise of belligerent rights, and if a vessel in such circumstances is diverted from her course and taken to a belligerent port, the matter is one to be investigated primarily by the Prize Courts of the captor. Diplomatic intervention can only properly be invoked if, after the final decision of the Prize Courts has been given, such finding appears to be so contrary to recognized principles of international law as to constitute a denial or failure of justice.

Foreign Office,
November 1st, 1912.

His Majesty's Secretary of State for Foreign Affairs has received from His Majesty's Minister at Athens a translation of a Law published in the Greek Government *Gazette* of the 8th (22nd) ultimo, with regard to the transfer of merchant vessels to neutral flags in time of war.

The terms of the enactment are as follows :—

Article 1.

The change of flag of an enemy vessel for that of a neutral state when taking place after the commencement of hostilities is invalid, unless it be proved that the change did not take place as a means of avoiding the consequences entailed by the enemy character of the vessel.

Proof of absolute invalidity exists—

1. If the change took place during the voyage or whilst in a blockaded port ;
2. If the right of repurchase has been agreed upon.
3. If the conditions governing the right to the flag according to the legislation of the country whose flag is acquired have not been observed.

Article 2.

It is forbidden for Greek vessels during the war to change their flag for that of a neutral State without the permission of the Minister of Marine.

Violation of this provision is punished with imprisonment up to 6 months.

Article 3.

The operation of the present law commences on the publication thereof in the Government *Gazette.*

Athens, October 8 (22), 1912.

Foreign Office,
4th November, 1912.

WITH reference to the Notice published in the *London Gazette* of the 29th ultimo, His Majesty's Secretary of State for Foreign Affairs has received from His Majesty's Ambassador at Constantinople a detailed list of articles which the Ottoman Government have decided to consider and treat as contraband of war during the present hostilities. The list is as follows :—

Arms of all kinds, guns and sporting weapons, as well as their component parts and accessories ;

Projectiles, mines and cartridges of all kinds, as well as their component parts and accessories ;

Shot and screw plates ;

Explosives and chemical materials used in warfare, and other explosive materials, saltpetre, sulphate of potash, muriate of potash, sulphur ;

Warships and their boats as well as articles used solely on board them ;

Machines, apparatus and accessories intended for the manufacture of projectiles of war, of arms, for the manufacture or repair of military equipment by land and sea ;

Balloons, flying machines, aeroplanes and their component parts ;

Draught and pack-horses employed in war, and beasts of burden.

Foreign Office,
November 4th, 1912.

With reference to the notification published in the *London Gazette* of the 29th ultimo, His Majesty's Secretary of State for Foreign Affairs has been informed by telegraph, by His Majesty's Minister at Athens, that the Greek Government have decided to cancel their list of articles deemed conditional contraband of war, and to regard fuel and lubricants as contraband only when destined for Turkish ports beyond the Dardanelles.

Foreign Office,
November 6th, 1912.

With reference to the notification published in the *London Gazette* of the 22nd ultimo, His Majesty's Ambassador at Constantinople has reported to His Majesty's Secretary of State for Foreign Affairs that he has been officially informed by the Turkish Government that the blockade of Bulgarian ports is raised until further notice. 22–3

Thursday, the 21st day of November, 1912.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR GENERAL IN COUNCIL.

THE Minister of the Interior states, under date the 15th November, 1912, that Mr. H. O. Miller was granted homestead and pre-emption entries for the south ½ of Section 27, Township 6, Range 17, west of the 4th Meridian on the 17th September, 1908, and that as no defense was filed to the cancellation proceedings subsequently instituted such entries were cancelled by default on the 26th June, 1911, and re-entry granted Mr. J. A. Holmerson.

The Minister further states that it has now beeen represented to the Department of the Interior that Messrs. Miller and Holmerson had entered into an illegal agreement with respect to the half section mentioned ;

That under these circumstances it is considered advisable to have an investigation in relation to this matter.

The Minister, in view of the foregoing, recommends that H. G. Cuttle, of Brandon, in the Province of Manitoba, Esquire, Inspector of Dominion Lands Agencies, be authorized under the provisions of The Dominion Lands Act, paragraph (*g*), section 76, chapter 20, 7-8 Edward VII, to investigate the said question and for that purpose to summon by subpœna any person or persons, and examine such person or persons under oath and to compel the production of papers and writings at such investigation.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Thursday, the 21st day of November, 1912.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR GENERAL IN COUNCIL.

THE Minister of the Interior submits, under date 18th November, 1912, that by an Order in Council of the 31st of May, 1912, provision was made that a lease be issued in favour of The Yellowhead Pass Coal and Coke Company, the holders of certain coal mining leases in the northern portion of the Province of Alberta, of the surface rights of a certain portion of Section 6, Township 29, Range 21 west of the Fifth Meridian, which lands overlie the coal mining rights which the company have acquired under lease.

The Minister states that the coal mining rights which this company have acquired under lease are situated in Township 49, Range 21, west of the Fifth Meridian, but, owing to a typographical error, the surface rights for which the company applied were described in the above Order in Council as being in Township 29, instead of Township 49, Range 21, west of the Fifth Meridian.

The Minister, therefore, recommends that the Order in Council of the 31st of May, 1912, be amended accordingly.

The Committee submit the same for approval.

Clerk of the Privy Council.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Thursday, the 21st day of November, 1912.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR GENERAL IN COUNCIL.

THE Minister of the Interior, under date 10th October, 1912, reports that, under the provisions of The Irrigation Act, chap. 61, R.S.C., 1906, authority has been granted to the Lethbridge Collieries, Limited, to construct a system of works to divert water from Belly River for use in its mines and for the domestic supply of its employees, and that pursuant to such authority the company has constructed on the north half of Section 7, Township 9, Range 22, west of the 4th Meridian, a pump house and pipe line.

The Minister states that, under the authority of section 54 of the said Act, regulations were established providing for the granting of a right of way through Dominion Lands of lands required for a canal ditch or pipe line, including a marginal strip not exceeding twenty feet on one side and ten feet on the other side of such works to give access to the same for purposes of operation and repairs, and that provision is also made therein for granting a greater width if such is shown to be necessary for the effective operation of the system, but not to exceed ten acres on any quarter-section.

The Minister represents that the pipe line of the company through the land in question runs along a narrow coulee in such a way that it is necessary to have the pipe line on one side of the bottom of the coulee and the road by which access is gained to it on the other side, and they make application to be given license of occupation for the pipe line and roadway and the strip of land lying between.

The Minister also states that the land in question is held as a quarantine reserve under the control of the Department of Agriculture, but that Department has agreed to permit the company to acquire this right of way on condition that it should be fenced and that necessary gates should be provided.

The Minister further states that he has caused an inspection of the land to be made and finds that the conditions are as stated by the company; that the land could most conveniently be fenced by locating the fence on the outside of the road and on the outside of the pipe line in each case, thus including the strip between them within the fence; and that the land so enclosed would be useless for other purposes.

The Minister, therefore, recommends that he be authorized to grant to the company a license of occupation for the land required for the pipe line and roadway including the strip between them, comprising an area of some eighteen acres, twelve acres of which are on the north-west quarter of Section 7 and six acres on the north-east quarter.

The Committee advise that the requisite authority be granted.

RODOLPHE BOUDREAU,
Clerk of the Privy Council.

Thursday, the 21st day of November, 1912.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR GENERAL IN COUNCIL.

THE Minister of the Interior, under date 19th November, 1912, reports that it is desirable to have an investigation in relation to the conditions under which Mr. Albert Peever was granted preemption entry for the north west quarter of Seven, Twenty-nine, Twenty-five, west Fourth Meridian.

The Minister states that Mr. A. W. Wheeler was a disappointed applicant for the quarter section mentioned and claims that Mr. Peever was not entitled to make entry for this land because the latter had not enough improvements on his homestead.

The Minister, therefore, recommends that Mr. James Muir, K.C., of Calgary, in the Province of Alberta, be authorized, under the provisions of The Dominion Lands Act, paragraph (*g*), section seventy-six, chapter twenty, 7-8 Edward VII, to investigate the said question and for that purpose to summon by subpœna any person or persons, and examine such person or persons under oath and to compel the production of papers and writings at such investigation.

Thursday, the 21st day of November, 1912.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR GENERAL IN COUNCIL.

THE Minister of the Interior reports, under date 11th November, 1912, that in August, 1903, Mr. Reginald Newth obtained second homestead entry for the N.E. ¼ of Section 26, Township 23, Range 14, west of the Second Meridian, being permitted in October, 1905, to purshase the same at the current rate at $3.00 an acre, in lieu of the performance of homestead duties.

The Minister represents that as Mr. Newth was, at the time of obtaining entry for the above land and is still, an employee of the Department of the Interior, having been appointed sub-Agent of Dominion Lands at Lipton, in the Province of Saskatchewan, in October, 1900, he is debarred from acquiring any Dominion Lands.

The Minister recommends, as payment in full for the parcel under consideration has been made, that, under the provisions of section 84 of The Dominion Lands Act, the sale to Mr. Newth of the said N.E. ¼ of Section 26, Township 23, Range 14, West of the Second Meridian, be confirmed.

The Committee submit the foregoing recommendation for approval.

Thursday, the 14th day of November, 1912.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR GENERAL IN COUNCIL.

THE Minister of the Interior states, under date 4th November, 1912, that Mr. Leon Eauclaire has made application to acquire as a free grant 160 acres of land comprised in Lots numbered 5 and 6, in Range numbered 2, Fort Vermilion Settlement, in the Province of Alberta, by virtue of occupation of the land at the date of the extinguishment of the Indian title, and to purchase the excess area of 100 acres at the rate of $3.00 an acre.

That evidence has been submitted showing the applicant to have been in actual occupation of the land in question at the date of the conclusion of Indian Treaty No. 8, in the summer of 1899.

The Minister, therefore, recommends that under the provisions of subsection (*c*) of section 76 of The Dominion Lands Act, a free grant of 160 acres of Lots numbered 5 and 6, in Range numbered 2, Fort Vermilion Settlement, in the Province of Alberta, be authorized to Mr. Eauclaire, and that he be permitted to purchase the excess area of 100 acres at the rate of $3.00 an acre.

The Committee submit the same for approval.

Thursday, the 21st day of November, 1912.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR GENERAL IN COUNCIL.

THE Minister of the Interior submits, under date 20th November, 1912, that by an Order in Council dated 30th January, 1904, provision was made that the Commissioner of the Yukon Territory might, upon approval by him of an application for permission to impound the surplus waters of any creek or gulch, withdraw from mining entry under the regulations in that behalf any vacant ground required as a reservoir site, or for any other purpose in connection with the storage of water.

The Minister states that on the 9th of June, 1904, the Commissioner of the Yukon Territory reserved for C. T. Dunbar and O. R. Brener, under the above authority, a tract of land situated on Chief Gulch, a tributary of Eldorado Creek in the said Territory, for the purpose of creating a reservoir thereon within which to store water for use for mining purposes.

That the officers of the Department of the Interior at Dawson have now reported that the reservation above referred to has not been utilized for the purpose of creating a reservoir, and that inquiries have been received as to when the lands affected would again become available for placer mining entry.

The Minister recommends, in view of the failure of the grantees to create a reservoir on the tract reserved, that he be authorized to again bring the tract reserved for the above purpose under the provisions of the Yukon Placer Mining Act.

The Committee submit the same for approval.

RODOLPHE BOUDREAU,
23–4 Clerk of the Privy Council.

[3086]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Wednesday, the 6th day of November, 1912.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR GENERAL IN COUNCIL.

THE Minister of the Interior submits, under date 25th October, 1912, that an application has been made by the Brazeau Collieries, Limited, to have put up for sale two blocks of timber situated on the following described tracts of land in Township 40, Range 15, west of the 5th meridian ;

Block A—North half Section 6 : Sections 7, 8, 17, 18, 19, 20 south half 29.

Block B—North half Sections 13 and 14 ; Sections 23, 24, 25 south half 26.

The Minister further submits that he has had an examination made of the said land and finds that there are approximately 4,500,000 feet board measure of timber suitable for manufacture into lumber, and 9,700,000 lineal feet of mine props, and that the stand of timber, including the trees of smaller diameter, is even aged at about 240 to 280 years, is over mature, and is being attacked by insects, so that it is deteriorating in value, and it is desirable that it be cut, in order that the young trees on the tract may develop. A valuation was made of the said timber, and it is estimated that the timber has a value of at least $1.50 per thousand feet board measure, and the cordwood of twenty-five cents per cord ;

That the district in which this tract of timber is located is one in which there are large deposits of coal which are now being developed and for which timber will be required ;

The Minister, therefore, recommends that under the authority of sub-section (*b*) of section 17 of The Dominion Forest Reserves and Parks Act, assented to on the 19th May, 1911, he be authorized to dispose of the timber on the above described tracts of land by public auction at an upset price of $1.50 per thousand feet board measure for timber, subject to the regulations relating to Forest Reserves, and subject to the following conditions and such others not inconsistent therewith as the Minister may consider necessary :—

(1) That the person to whom the tract is awarded shall immediately deposit in cash the sum of five hundred dollars as security for the execution of the license to be granted to him and the fulfilment of the conditions thereof, which sum shall be forfeited for failure to execute the license or to fulfil the conditions thereof and shall be applied in payment of dues on the completion of the contract, and shall also before the execution of the license furnish bonds for an additional sum of five hundred dollars as security for the fulfilment of the contract ;

(2) That the purchaser shall furnish returns quarterly or at such times as may be designated by the Minister of the operations on the tract and the dues on the timber cut shall become due on the date fixed for the submission of such returns ;

(3) That the dues for mining props shall be computed on the basis of one lineal foot of a mining prop being equivalent to one and two-thirds feet board measure. The dues for cordwood shall be twenty-five cents per cord.

(4) That no trees shall be cut which are designated by the forest officer as being required to ensure the reproduction of the timber, the protection of the watershed or any other beneficial public service ;

(5) That the purchaser will take out all material that is merchantable from the timber cut, and shall not cause any unnecessary waste of timber ;

(6) That no unnecessary damage will be caused to the young growth or to any trees that are designated as not to be cut ;

(7) That the debris of logging operations will be piled and burned or otherwise disposed of in accordance with the instructions of the forest officer ;

(8) That the purchaser will take all necessary precautions to prevent the starting or spread of fire from his operations ;

(9) That for fighting fire in the vicinity of or threatening the tract, the purchaser will give free of charge the assistance of the men employed by him ;

(10) That the rights granted shall terminate at the expiration of eight years from the date of the sale of the tract.

The Committee concur in the foregoing and submit the same for approval.

RODOLPHE BOUDREAU,
21-4 Clerk of the Privy Council.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR GENERAL IN COUNCIL.

WHEREAS an application has been made by the trustees of the Swedish Evangelical Lutheran Bethel Church, of Kelliher, in the Province of Saskatchewan, for a grant of 6.25 acres of land comprised in the south-west corner of the S. ½ of Fractional Section 1, Township 27A, Range 13A, west of the 2nd Meridian, for cemetery purposes ;

And whereas the land in question is available for the purpose, and the Minister of the Interior is of opinion that the application should receive favourable consideration,—

Therefore the Governor General in Council, under the provisions of subsection (*d*) of section 76 of The Dominion Lands Act, is pleased to appropriate and set apart for cemetery purposes, 6.25 acres of land comprised in the south-west corner of the S. ½ of Fractional Section 1, Township 27A, Range 13A, west of the 2nd Meridian, and is further pleased to authorize and doth hereby authorile a grant thereof to the trustees of the Swedish Evangelical Lutheran Bethel Church, of Kelliher, in the Province of Saskatchewan, for the said purposes.

[3069]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Friday, the 1st day of November, 1912.

PRESENT :

HIS EXCELLENCY THE DEPUTY GOVERNOR GENERAL IN COUNCIL.

THE Minister of the Interior submits, under date 29th October, 1912, that an application has been made to the Department of the Interior to have the timber on the east half of Section 33 and the west half of Section 34, Township 8, Range 4, west of the fifth Meridian, situated in the Rocky Mountains Forest Reserve, put up for sale and that he has had an examination made of the said land and finds that there are approximately 7,000,000 feet, board measure, of timber of which nearly two-thirds was killed by fire in 1910, and if left uncut for a much longer period, will become of little value.

The Minister states that he has had a valuation made of the said timber and it is estimated that the green timber, which is of very good quality, has a value of $2 per thousand feet board measure and that the dry timber, which had deteriorated considerably in value since the fire, has a value of $1 per thousand feet board measure.

The Minister, therefore, recommends that, under the authority of subsection (*b*) of section 17 of The Dominion Forest Reserves and Parks Act, assented to on the 19th May, 1911, he be authorized to dispose of the timber on the said section by public competition at upset prices per thousand feet board measure of $2 for green timber and $1 for dry timber, subject to the regulations relating to Forest Reserves.

The Committee submit the same for approval.

RODOLPHE BOUDREAU,
21-4 Clerk of the Privy Council.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Friday, the 1st day of November, 1912.

PRESENT :

HIS EXCELLENCY THE DEPUTY GOVERNOR GENERAL IN COUNCIL.

THE Minister of the Interior submits, under date 29th October, 1912, that a portable saw-mill permit was issued on the 11th of October, 1910, to Mr. G. R. Pelletier, giving him the right to cut timber on Berth 1711, which comprises the west ½ of Section 27 and the east half of Section 28, Township 8, Range 4, west of the Fifth Meridian, in the Crowsnest Division of the Rocky MountainsForet Reserve.

The Minister states that a renewal permit was issued extending the right to cut timber on this berth to the 11th of October, 1912, but no further renewal can be granted under the ordinary regulations. Mr. Pelletier has, however, applied for a renewal since there is a portion of the timber on the berth remaining uncut. Mr. Pelletier was unfortunate in having his mill destroyed by fire in January, so that his operations were considerably delayed. The timber on the berth is either fire-killed or over-mature, and it appears advisable that the cutting be allowed to continue.

The Minister, therefore, recommends that under the authority of subsection (*b*) of section 17 of The Dominion Forest Reserves and Parks Act, assented to on the 19th of May, 1911, he be authorized to grant a permit to the said George R. Pelletier to cut timber on the said timber berth, No. 1711, subject to the payment of dues and to the restrictions for the conduct of the operations prescribed in connection with the original permit issued on the 11th of October, 1910, and also subject to the general regulations relating to forest reserves.

The Committee submit the same for approval.

Clerk of the Privy Council.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Friday, the 1st day of November, 1912.

PRESENT :

HIS EXCELLENCY THE DEPUTY GOVERNOR GENERAL IN COUNCIL.

THE Minister of the Interior reports, under date 29th October, 1912, that there is considerable demand in the vicinity of the Riding Mountain Forest Reserve for the cutting of birch and poplar timber, for use as fuel and in manufactures, and that he has had an examination made of a suitable tract of such timber on the north-east quarter of Section 36, Township 19, Range 16, west of the Principal Meridian, and finds that there are approximately 660 cords of birch and poplar timber thereon, which is mature and in part affected by a fungus which makes its utilization in the near future desirable.

The Minister states that he has had a valuation made of the said timber, and the value is estimated to be 25 cents per cord for poplar cordwood, 50 cents per cord for birch cordwood, and 75 cents per cord for birch bolts, a cord of the last being understood to be 4 feet by 5 feet by 8 feet.

The Minister, therefore, recommends that, under the authority of section 17 of the Dominion Forest Reserves and Parks Act, assented to on the 19th of May, 1911, he be authorized to dispose, subject to the regulations relating to forest reserves, of the timber on the said quarter section by public tender at upset prices of 25 cents per cord for poplar cordwood, 50 cents per cord for birch cordwood, and 75 cents per cord for birch bolts, a cord of the last being understood to be 4 feet by 5 feet by 8 feet.

The Committee advise that the requisite authority be granted.

Clerk of the Privy Council.

Thursday, the 14th day of November, 1912.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR GENERAL IN COUNCIL.

THE Minister of the Interior submits, under date the 8th November, 1912, that by an Order in Council dated the first of October, 1909, Mr. J. C. Maclure was permitted to purchase at the rate of $1.00 an acre the south-east quarter of Section 30, Township 19, east of the Coast Meridian, for brick manufacturing purposes, subject to the condition, however, that within three years from the date upon which the sale was authorized a plant, having a capacity of 5,000 bricks per week, should be erected on the property, and should have actually produced not less than 300,000 bricks.

The Minister states that evidence has been filed in the Department of the Interior to show that a plant having a capacity of 20,000 bricks per day has been erected in connection with this sale; that over 1,000,000 bricks have been manufactured by such plant; that it was found impossible, however, on account of the sheer, precipitous character of the quarter section to erect the plant on the said property, and that adjoining property had been leased upon which to erect the necessary plant and establish the brick and sewer pipe industry at a cost of $140,000.00.

As it would appear that the character of the land sold to Mr. Maclure was such as to preclude the possibility of erecting thereon the required plant, and as the conditions of the Order in Council of the first of October, 1909, have otherwise been very fully complied with, the Minister recommends that he be authorized to accept the erection of this plant on adjoining lands as compliance with the conditions of the sale.

The Committee submit the same for approval.

Clerk of the Privy Council.

HIS ROYAL HIGHNESS THE GOVERNOR GENERAL IN COUNCIL.

THE Minister of the Interior submits, under date 6th November, 1912, that an application has been made to have put up for sale a tract of timber located on the southwest quarter of Section 3 and the southeast quarter of fractional Section 4, Township 8, Range 30, west of the third Meridian, and the southeast quarter of Section 1, Township 8, Range 1, west of the fourth Meridian, which land is within the Cypress Hills Forest Reserve.

The Minister states that he has had an examination made of the said land and finds that there are approximately 218,000 feet board measure of spruce timber, which is estimated to have a value of $1.50 per thousand feet. It has been reported to the Minister that there is great demand from settlers in the vicinity of the forest reserve for the lumber which may be manufactured from this timber, and that the cutting of the most mature trees will benefit the young growing trees of which there are a large number.

The Minister, therefore, recommends that under the authority of subsection (*b*) of section 17 of The Dominion Forest Reserves and Parks Act, assented to on the 19th May, 1911, he be authorized to dispose of the timber on the said land by public competition at an upset price of $1.50 per thousand feet, board measure, subject to the regulations for Forest Reserves.

THE SENATE.

SUBSTANCE OF RULES OF THE SENATE RELATING TO NOTICES AND APPLICATIONS FOR BILLS OF DIVORCE.

As Revised and brought in force 22nd March, 1906.

Every applicant for a Bill of Divorce shall give notice of his or her intended application, and shall specify therein from whom and for what cause such divorce is sought, and shall cause such notice to be published during at least three months before the consideration by the Committee on Divorce of his or her petition for the said Bill, in the *Canada Gazette* and in two newspapers published in the district in Quebec, Manitoba, Saskatchewan, Alberta, British-Columbia or the Northwest Territories, or in the county or union of counties in other provinces, wherein such applicant usually resided at the time of the separation of the parties; but if the requisite number of papers cannot be found therein, then in an adjoining district or county or union of counties.

Notices given in the Provinces of Quebec and Manitoba are to be published in one English and one French newspaper, if there be such newspapers published in the district, but otherwise shall be published in one newspaper in both languages. If a notice given for any session of Parliament is not completed in time to allow the petition to be dealt with

during that session the petition may be presented and dealt with during the next ensuing session, without any further publication of such notice.

A copy of the said notice and a copy of the petition to be presented shall, at the instance of the applicant, and not less than two months before the consideration by the Committee of the petition, be served personally, when that can be done, on the person from whom the divorce is sought, who is hereinafter called "the respondent."

If the residence of the respondent is not known or personal service cannot be effected, then, if it be shown to the satisfaction of the Committee that all reasonable efforts have been made to effect personal service, and, if unsuccessful, to bring such notice and petition to the knowledge of the respondent, what has been done may be deemed and taken by the Committee as sufficient service.

No petition for a bill of divorce shall be presented to the Senate after the first sixty days of the Session.

The petition of an applicant for bill for divorce must be fairly written and must be signed by the petitioner, and should briefly set forth the marriage, the names in full of the parties thereto, their ages and occupations, when, where and by whom the ceremony was performed, the domicile and residence of each of the parties at the time of the marriage, their matrimonial domicile, residence, and any change thereof, the material facts upon which the petitioner relies as the grounds on which relief is asked, and the nature of the relief prayed for.

The petition should also negative connivance at, or condonation of the wrong complained of and collusion in the application for divorce.

The allegations of the petition must be verified by declaration of the petitioner, under *The Canada Evidence Act, 1893.*

The copy of the petition served upon the respondent shall have endorsed thereon, or appended thereto, the following information :—

(1) The petitioner's residence at the time of service.

(2) A Post Office address in Canada at which letters and notices for the petitioner may be delivered.

(3) The name and address of the solicitor, if any, acting for the petitioner.

(4) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa, upon whom all notices and papers may be served.

(5) That if the respondent desires to oppose the granting of the divorce and to be heard by the Senate Committee on Divorce, the respondent must send a notice to that effect to the Clerk of the Senate at the Parliament Buildings, Ottawa, within two months from the date of service upon the respondent, and must in the notice to the Clerk of the Senate give :—

(a) The respondent's residence at the time of sending such notice.

(b) A Post Office address in Canada at which letters and notices for the respondent may be delivered.

(c) The name and address of the solicitor, if any, acting for the respondent.

(d) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa upon whom all notices and papers may be served.

(6) That, if the respondent does not so notify the Clerk of the Senate, the petition may be considered, and a bill of divorce founded thereon may be passed, without any further notice to the respondent.

(7) When the petition is one by a husband for a divorce from his wife, that, if the wife shows to the satisfaction of the Senate Committee on Divorce that she has, and is prepared to establish upon oath, a good defence to the charges made by the petition, and that she has not sufficient money to defend herself, the Committee may make an order that her husband shall provide her with the necessary means to sustain her defence, including the cost of retaining Counsel and the travelling and living expenses of herself and of witnesses summoned to Ottawa on her behalf.

No petition for a bill of Divorce shall be considered by the Committee unless the applicant has paid into the hands of the Clerk of the Senate the sum of two hundred and ten dollars, ($210.)

The petition when presented to the Senate shall be accompanied by the evidence of the publication of the notice, and by declaration in evidence of the service of a copy of the notice and of a copy of the petition.

A copy of every petition for a Bill of Divorce, or relating to any matter arising out of an application for divorce, and of every document and paper accompanying such petition or produced in evidence before the Committee, shall be furnished to the Committee by the person on whose behalf the petition, document or paper is presented or produced.

DÉPÊCHES, ETC.

FOREIGN OFFCE,
29 octobre 1912.

LE Principal Secrétaire d'Etat pour les Affaires Etrangères a reçu du Ministre de Sa Majesté à Sofia, un télégramme daté le 28 octobre à l'effet ci-dessous :—

> Le port de Bourgas a été miné et est en conséquence fermé à la navigation pour le présent.

—

FOREIGN OFFICE,
31 octobre 1912.

Le Secrétaire d'Etat de Sa Majesté pour les Affaires Etrangères est d'avis qu'il serait bon d'énoncer que le fait qu'un navire britannique a été arrêté, détenu ou visité en mer par un navire de guerre d'une puissance belligérante n'est pas de soi une chose dont le propriétaire a le droit de se plaindre, ou qui, à moins de circonstances exceptionnelles, justifierait une action diplomatique par le gouvernement de Sa Majesté. Il doit aussi être compris que le Secrétaire d'Etat ne peut, à proprement parler, faire droit aux demandes d'armateurs et autres intéressés dans des cargaisons consignées à des ports dans la zone du théâtre de la guerre dans l'Orient, de relâcher immédiatement les navires arrêtés et détenus sur la haute mer pour la raison qu'ils portent de la contrebande de guerre, qu'ils se sont rendus coupables d'un bris de blocus, ou qu'ils rendent un service non neutre à un belligérant. Dans ces cas, les vaisseaux sont détenus dans l'exercice des droits de belligérants, et si des vaisseaux dans ces circonstances sont détournés de leur marche et amenés à un port belligérant, la question doit d'abord être étudiée par les tribunaux des prises du capteur. L'intervention diplomatique ne peut être convenablement invoquée que si, après que la décision finale des tribunaux des prises a été rendue, ce jugement semble être si contraire aux principes reconnus de la loi internationale qu'il constitue un déni de justice.

FOREIGN OFFICE,
1er novembre 1912.

Le Secrétaire d'Etat de Sa Majesté pour les Affaires Etrangères a reçu du Ministre de Sa Majesté à Athènes la traduction d'une loi publiée dans la Gazette du Gouvernement grec du 8 (22) ult., concernant le transfert de navires marchands sous des pavillons neutres en temps de guerre.

Les termes de l'ordonnance sont comme suit :—

ARTICLE 1.

Le changement de pavillon d'un navire ennemi pour celui d'un navire neutre, lorsque la chose a lieu après le commencement des hostilités, est invalide, à moins qu'il ne soit prouvé que le changement n'a pas eu lieu comme un moyen d'éviter les conséquences encourues par le caractère ennemi du vaisseau.

Une preuve d'invalidité absolue existe—

1. Si le changement a lieu durant le voyage ou tandis qu'il est dans un port bloqué ;
2. Si le droit de rachat a été convenu ;
3. Si les conditions qui gouvernent le droit au pavillon, selon la législation du pays dont le pavillon est acquis, n'ont pas été observées.

ARTICLE 2.

Il est défendu aux navire grecs, durant la guerre, de changer leur pavillon pour celui d'un pays neutre sans la permission du Ministre de la Marine.

L'infraction de cette disposition est punie de l'emprisonnement jusqu'à 6 mois.

ARTICLE 3.

Le règlement suivant est par ces présentes ajouté aux règlements établis par un arrêté en conseil du 27 février 1911 en vertu de la Loi des insectes destructeurs et autres fléaux :

PRÉSENT :

SON EXCELLENCE LE SUPPLÉANT DU GOUVERNEUR GÉNÉRAL EN CONSEIL.

Le Ministre de l'Intérieur fait rapport, le 29 octobre 1912, que le bois de bouleau et de peuplier est en grande demande, pour le combustible et les fins de fabrication, dans le voisinage de la réserve de "Riding Mountain Forest," et qu'il a fait faire une inspection d'un massif de ces bois dans le quart nord-ouest de la section 36, township 19, rang 16, à l'ouest du méridien principal, et qu'il constate qu'il s'y trouve approximativement 660 cordes de bouleau et de peuplier dans un état de maturité trop avancé et sujets aux attaques d'un champignon, ce qui rend désirable leur utilisation prochaine.

Le Ministre représente qu'il a fait évaluer ce bois et que la valeur en est estimée à 25 cents la corde pour le peuplier, 50 cents la corde pour le bouleau et 75 cents la corde pour les billes de bouleau, la corde de ces billes mesurant 4 pieds par 5 pieds par 8 pieds.

Par conséquent le Ministre recommande qu'en vertu des dispositions de l'article 17 de la loi des réserves forestières et des parcs fédéraux, sanctionnée le 19 mai 1911, il soit autorisé, sujet aux règlements concernant les réserves forestières, à mettre en vente à l'enchère publique le bois du dit quart de section au prix de mise de 25 cents la corde pour le peuplier, 50 cents la corde pour le bouleau et 75 cents la corde pour les billes de bouleau, la corde de ces billes mesurant 4 pieds par 5 pieds par 8 pieds.

Le comité recommande que l'autorisation nécessaire soit accordée.

Le Ministre de l'Intérieur représente, le 4 novembre 1912, que M. Léon Eauclaire a demandé la concession gratuite de 160 acres de terrain compris dans les lots 5 et 6 du rang n° 2, dans l'établissement de Fort Vermilion, province d'Alberta, basant sa demande sur le fait qu'il occupait ce terrain à la date de l'extinction du titre des Indiens, et qu'il demande aussi d'acheter un terrain additionnel de 100 acres au prix de $3 l'acre.

Preuve a été faite que le requérant occupait le terrain en question à la date de la conclusion du traité indien n° 8 à l'été de 1899.

Par conséquent, le Ministre recommande qu'en vertu des dispositions du paragraphe (*c*) de l'article 76 de la "Loi des terres fédérales" il soit autorisé à faire à M. Eauclaire la concession gratuite de 160 acres des lots 5 et 6, rang n° 2, dans l'établissement de Fort Vermilion, province d'Alberta, et à lui permettre d'acheter un terrain additionnel de 100 acres au prix de $3 l'acre.

LE ministre de l'Intérieur fait rapport, le 10 octobre 1912, qu'en vertu des dispositions de la *Loi d'Irrigation*, chapitre 61 des Statuts revisés du Canada, 1906, la compagnie dite "Lethbridge Collieries Limited" a été autorisée à faire des travaux pour détourner l'eau de la rivière Belly pour le service de ses mines et l'approvisionnement domestique de ses employés, et qu'en vertu de cette autorisation la compagnie a construit un établissement hydraulique et posé un tuyau de distribution dans la moitié nord de la section 7, township 9, rang 22, à l'ouest du 4e méridien.

Le Ministre représente qu'en vertu des dispositions de l'article 54 de la dite loi des règlements ont été établis concernant la concession de terres fédérales pour le passage d'un canal ou d'un tuyau de distribution, y compris une lisière marginale n'excédant pas vingt pieds d'un côté et dix pieds de l'autre côté et les voies d'accès pour les fins d'opération et de réparation. Ces règlements pourvoient aussi à la concession d'une lisière de terrain plus large, mais n'excédant pas dix acres par quart de section, s'il est démontré que ce terrain additionnel est nécessaire pour le bon fonctionnement du système.

Le Ministre représente que le tuyau de distribution de la compagnie, sur le terrain en question, suit une coulée étroite de telle manière qu'il est nécessaire de faire passer ce tuyau d'un côté du fond de la coulée et le chemin qui y donne accès de l'autre côté. La compagnie demande un permis d'occupation pour le tuyau et le chemin, ainsi que la lisière de terrain qui les sépare.

Le Ministre représente aussi que le terrain en question est une réserve de quarantaine sous le contrôle du ministère de l'Agriculture et que ce ministère a consenti à permettre à la compagnie d'acquérir ce droit de passage à condition que le terrain soit clôturé et que les barrières nécessaires y soient installées.

Le Ministre ajoute qu'il a fait faire une inspection du terrain et qu'il constate que les conditions sont telles que représentées par la compagnie, que le terrain pourrait être convenablement clôturé en plaçant la clôture en dehors du chemin d'un côté et du tuyau de distribution de l'autre côté, bornant ainsi la lisière qui les sépare, et qu'enfin le terrain ainsi borné serait inutile pour toute autre fin.

Par conséquent, le Ministre demande l'autorisation d'accorder à la compagnie un permis d'occupation du terrain nécessaire au passage du tuyau de distribution et du chemin, y compris la lisière de terrain qui les sépare, et de quelque dix-huit acres additionels, dont douze situés dans le quart nord-ouest et six dans le quart nord-est de la section 7.

Le comité recommande que l'autorisation nécessaire soit accordée.

LE Ministre de l'Intérieur fait rapport, le 11 novembre 1912, qu'au mois d'août 1903 M. Reginald Newth a obtenu une deuxième inscription de homestead pour le quart nord-est de la section 26, township 23, rang 14, à l'ouest du 2e méridien, permission lui étant accordée en octobre 1905 d'acheter ce terrain au prix courant de $3.00 l'acre au lieu d'avoir à remplir les obligations de homestead.

Le Ministre représente que l'achat des terres fédérales est interdit à M. Newth parce qu'il était lors de son inscription pour ce terrain et est encore un employé du Ministère de l'Intérieur, ayant été nommé en octobre 1900 sous-agent des terres fédérales à Lipton, dans la province de la Saskatchewan.

Comme le terrain en question a été entièrement payé, le Ministre recommande qu'en vertu des dispositions de l'article 84 de la *Loi des terres fédérales*, la vente à M. Newth du dit quart nord-est de la section 26, township 23, rang 14, à l'ouest du 2e méridien, soit confirmée.

1. Le locataire d'un terrain pour l'extraction de l'argile devra, dans les deux ans de la date du bail, ériger sur le terrain qui y est décrit, ou sur des terrains acceptables au Ministre un établissement convenablement outillé pour la fabrication de la brique ou autres produits de l'argile, et il devra, durant la même période, fournir la preuve, appuyée d'une déclaration assermentée, démontrant la nature et la valeur de l'outillage installé et donnant la date de l'installation. Si l'outillage requis n'est pas installé dans le délai spécifié et si la preuve de son installation n'est pas fournie dans le même délai, le bail sera sujet à annulation à la discrétion du Ministre, pourvu, toutefois, que le Ministre n'exige pas que la valeur de l'outillage ainsi installé excède la somme de $10,000.

2. Le locataire d'un terrain pour l'extraction de l'argile devra, au cours de chaque année de la durée du bail après la deuxième année, fabriquer avec l'argile extraite de ce terrain et produire prêtes pour l'expédition au moins 100,000 briques, ou leur équivalent en quelque autre produit de l'argile, à la satisfaction du Ministre. Si au cours d'une année après la deuxième année de la durée du bail, le locataire ne fabrique pas les quantités spécifiées, ou ne fournit pas la preuve satisfaisante qu'il l'a fait, le bail sera sujet à annulation immédiate à la discrétion du Ministre.

SON ALTESSE ROYALE EN CONSEIL.

LE Ministre de l'Intérieur fait rapport, le 19 novembre 1912, qu'il est opportun de faire une enquête concernant les conditions dans lesquelles l'inscription de préemption a été accordée à M. Albert Peever pour le quart nord-ouest de la section 7, township 29, rang 25, à l'ouest du 4e méridien.

Le Ministre représente que M. A. S. Wheeler a été un des requérants déçus dans l'inscription de ce quart de section et prétend que M. Peever n'avait pas droit à l'inscription pour ce terrain parce qu'il n'avait pas fait d'améliorations suffisantes sur son homestead.

Par conséquent, le Ministre recommande que M. James Muir, C.R., de Calgary, dans la province d'Alberta, soit autorisé, en vertu des dispositions de la *Loi des terres fédérales*, paragraphe (*g*), article 76, chapitre 20, 7-8 Edouard VII, à s'enquérir de la dite question et, à cette fin, à citer devant lui par bref d'assignation toute personne qu'il juge à propos et à l'examiner sous serment et à exiger la production à cette enquête de papiers et documents.

Le comité soumet cette recommandation pour approbation.

LE Ministre de l'Intérieur représente, le 18 novembre 1912, que par un arrêté en conseil du 31 mai 1912 le bail a été cédé à la compagnie dite " The Yellowhead Pass Coal and Coke Company ", concessionnaires de certaines mines de houille dans la partie nord de la province d'Alberta, des droits de surface d'une certaine partie de la section 6, township 29, rang 21, à l'ouest du 5e méridien, lequel terrain recouvre les mines de houille auxquelles la compagnie a acquis les droits par son bail.

Le Ministre ajoute que les mines de houille auxquelles la compagnie a acquis les droits par bail sont situées dans le township 49, rang 21, à l'ouest du 5e méridien, mais que par erreur typographique les droits de surface demandés par la compagnie ont été décrits dans l'arrêté en conseil susdit comme étant situés dans le township 29, au lieu du townsip 49, rang 21, à l'ouest du 5e méridien.

Par conséquent, le Ministre recommande que l'arrêté en conseil du 31 mai 1912 soit modifié en conséquence.

Le comité soumet cette recommandation pour approbation.

Miller pour la moitié sud de la section 27, township 6, rang 17, à l'ouest du 4e méridien, le 17 septembre 1908, et qu'aucune défense n'ayant été présentée dans les procédures en annulation subséquemment instituées, ces inscriptions ont été annulées par défaut le 26 juin 1911 et une nouvelle inscription a été accordée à M. J. A. Holmerson.

Le Ministre ajoute qu'il a été représenté au Ministère de l'Intérieur que MM. Miller et Holmerson ont passé un contrat illégal concernant cette demi-section, et que dans les circonstances il est jugé opportun de faire une enquête en cette affaire.

En vue de ce qui précède, le Ministre recommande que M. H. G. Cuttle, de Brandon dans la province de Manitoba, inspecteur des agences des terres fédérales, soit autorisé, en vertu des dispositions de la *Loi des terres fédérales*, paragraphe (*g*), article 76, chapitre 20, 7-8 Edouard VII, à s'enquérir de la dite question et, à cette fin, à citer devant lui par bref d'assignation toute personne qu'il juge à propos et à l'examiner sous serment et à exiger la production à cette enquête de papiers et documents.

Le Ministre de l'Intérieur représente, le 8 novembre 1912, qu'un arrêté en conseil du 1er octobre 1909, permettait à M. J. C. Maclure d'acheter au prix de $1 l'acre le quart sud-est de la section 30, township 19, à l'est du méridien de la côte, pour la fabrication de la brique, mais sujet toutefois à la condition que dans le cours de trois ans de la date de l'autorisation de la vente il serait établi sur ce terrain une briqueterie pouvant fabriquer 5,000 briques par semaine et qu'il aurait, de fait, été fabriqué 300,000 briques au moins.

Le Ministre ajoute que la preuve a été soumise au Ministère de l'Intérieur qu'il avait été érigé sur le terrain ainsi vendu une briqueterie produisant 20,000 briques par jour et que plus de 1,000,000 de briques y ont été fabriquées. Toutefois, vu la nature escarpée de ce quart de section, il a été impossible d'y ériger une briqueterie, et une propriété voisine a été louée pour y installer l'outillage nécessaire et y établir l'industrie de la fabrication de la brique et des tuyaux d'égout au coût de $140,000.

Comme il appert que la nature du terrain vendu à M. Maclure est telle qu'elle rend impossible l'érection de la briqueterie, et comme les conditions de l'arrêté en conseil du 1er octobre 1909 ont, sous tous autres rapports, été remplies, le Ministre demande l'autorisation d'accepter l'érection de cette briqueterie sur les terrains contigus comme satisfaisant aux conditions de la vente.

Le comité soumet cette demande pour approbation.

RODOLPHE BOUDREAU,
22–4 Greffier du Conseil privé.

ATTENDU que les syndic de l'église dite " Swedish Evangelical Lutheran Bethel Church ", de Kelliher dans la province de la Saskatchewan, ont demandé la concession de 6.25 acres de terre situés dans le coin sud-ouest de la moitié sud de la section fractionnaire 1, township 27A, rang 13A, à l'ouest du 2e méridien, pour les fins d'un cimetière.

Et attendu que le terrain en question est disponible pour les fins susdites et que le Ministre de l'Intérieur est d'avis que la demande devrait être accordée ;

Par conséquent, il plaît au Gouverneur général en conseil, en vertu des dispositions du paragraphe (*d*) de l'article 76 de la *Loi des terres fédérales*, de mettre en réserve et d'affecter aux fins d'un cimetière 6.25 acres de terre compris dans le coin sud-ouest de la moitié sud de la section fractionnaire 1, township 27A, rang 13A, à l'ouest du 2e méridien, et d'en autoriser la concession aux syndics de l'église dite " Swedish Evangelical Lutheran Bethel Church ", de Kelliher, dans la province de Saskatchewan, pour les fins susdites.

LE Ministre de l'Intérieur représente, le 6 novembre 1912, que demande a été faite de faire mettre en vente un terrain boisé situé dans le quart sud-ouest de le section 3 et le quart sud-est de la section fractionnaire 4, township 8, rang 30, à l'ouest du 3e méridien, et le quart sud-est de la section 1, township 8, rang 1, à l'ouest du 4e méridien, lequel terrain est compris dans la réserve forestière de Cypress Hills.

Le Ministre ajoute qu'il a fait faire un examen du terrain susdit et qu'il constate qu'il s'y trouve approximativement 218,000 pieds (mesure de planche) d'épinette, dont la valeur est estimée à $1.50 les mille pieds. Rapport a été fait au Ministre que le bois de service qu'on pourrait tirer de ce terrain est en grande demande parmi les colons établis dans le voisinage de cette réserve forestière et que l'abatage des vieux arbres favoriserait la croissance des jeunes arbres qui poussent en grand nombre sur cette réserve.

Par conséquent, le Ministre recommande qu'en vertu du paragraphe (*b*) de l'article 17 de la Loi des réserves forestières et des parcs fédéraux, sanctionnée le 19 mai 1911, il sait autorisé à vendre à l'enchère publique le bois qui croît sur ce terrain au prix de mise de $1.50 les mille pieds (mesure de planche) subordonnément aux règlements concernant les réserves forestières.

LE Ministre de l'Intérieur représente, le 20 novembre 1912, qu'un arrêté en conseil daté le 30 janvier 1904 décrète que le Commissaire du Yukon, après avoir approuvé une demande de permission d'emmagasiner le surplus des eaux d'un creek ou d'une coulée, peut soustraire à l'enregistrement minier prescrit par les règlements à cet effet tout terrain vacant requis pour l'emplacement d'un réservoir, ou pour toute autre fin en rapport avec l'emmagasinage de l'eau.

Le Ministre représente que le 9 juin 1904 le Commissaire du Territoire du Yukon, en vertu de cette autorité, a mis en réserve pour C. T. Dunbar et O. R. Brener un terrain situé sur la coulée Chief, un tributaire du creek Eldorado, dans le dit territoire, afin d'y établir un réservoir pour l'emmagasinage de l'eau pour les fins minières.

Le Ministre ajoute que les fonctionnaires du Ministère de l'Intérieur à Dawson ont fait rapport que la réserve susdite n'avait pas été utilisée pour l'établissement d'un réservoir et que des demandes de renseignement avaient été reçues quant à la dates où ces terres seraient disponibles pour l'enregistrement minier.

Considérant que les concessionnaires n'ont pas établi de réservoir sur le terrain mis en réserve, le Ministre demande l'autorisation de subordonner de nouveau aux dispositions de la loi minière du Yukon le terrain mis en réserve pour les fins susdites.

Le comité soumet cette demande pour approbation.

DEMANDES AU PARLEMENT.

CHAMBRE DES COMMUNES.

RÈGLES RELATIVES AUX PÉTITIONS ET AUX BILLS PRIVÉS.

88. (1) Les pétitions pour bills privés ne sont reçues par la Chambre que si elles sont présentées pendant les six premières semaines de la session, et tout bill privé sera présenté à la Chambre dans les deux semaines à compter de l'époque où l'Examinateur ou le comité des ordres permanents auront fait un rapport favorable sur la pétition, et nulle motion à l'effet de suspendre cette règle ne sera acceptée, à moins qu'au préalable le comité des ordres permanents n'ait présenté un rapport recommandant cette suspension et exposant les raisons la motivant.

Instruction aux comités.

97. Qu'il soit enjoint à tous les comités sur bills privés, dans le cas où les promoteurs ne seraient point prêts à procéder avec leurs mesures quand celles-ci auront été appelées deux fois en deux occasions différentes devant le comité pour y être discutées, de rapporter ces mesures à la Chambre sans délai, faisant connaître les faits, et avec la recommandation que ces bills soient retirés.

Dépôt de bills et honoraires.

89. (D.) Tout pareil avis sera transmis par la poste par lettre enregistrée de manière à parvenir au secrétaire de la province, et au greffier du conseil de comté et de la corporation municipale, au moins deux semaines avant que l'Examinateur ou le comité des ordres permanents ne prennent la pétition en délibération, et une déclaration conforme à la loi et établissant ce dépôt à la poste, sera adressée au greffier de la Chambre.

SENAT.

SUBSTANCE DES RÈGLES ET FORMES DE PROCÉDER DU SÉNAT CONCERNANT LES BILLS DE DIVORCE.

Telles que revisées et mises en vigueur le 22 mars 1906.

Tout pétitionnaire en divorce doit annoncer son intention de demander un bill de divorce, par un avis spécifiant contre qui et pour quelle cause le divorce sera demandé ; il fait insérer cet avis, pendant trois

mois au moins avant la prise en considération par le comité des divorces de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux—du district où il avait sa résidence habituelle à l'époque de sa séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Saskatchewan, l'Alberta, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province ; et à défaut de ce nombre de journaux, l'avis doit se publier dans le district, le comté ou les comtés-unis voisins.

Dans les provinces de Québec et du Manitoba, les insertions doivent se faire dans un journal anglais et un journal français, s'il en existe des deux langues dans le district ; autrement, elles se font en anglais et en français au même journal. Si l'avis donné pour une session expire trop tard pour qu'il puisse être statué sur la pétition pendant cette session, la pétition pourra être présentée et accueillie à la session suivante sans nouvelle publication d'avis.

Une copie de cet avis et une copie de la pétition qui sera présentée doit, à la diligence du pétitionnaire et au moins deux mois avant la prise en considération de la pétition par le comité, être signifiée en main propre si cela est possible, à la personne contre laquelle le divorce sera demandé, ci-après appelée " partie défenderesse ".

Si la résidence de la partie défenderesse n'est pas connue, ou que la remise de l'avis ne peut être faite en ses mains, s'il est prouvé, d'une manière jugée satisfaisante par le comité, que tous les efforts raisonnables ont été faits pour opérer la signification en main propre, et, en cas d'inutilité de ces efforts, pour porter l'avis et la pétition à la connaissance de la partie défenderesse, ces diligences peuvent être tenues pour une suffisante notification.

Aucune pétition en divorce n'est recevable après l'expiration des soixante premiers jours de la session.

Toute pétition en divorce doit être écrite lisiblement et porter la signature du pétitionnaire. Elle énonce sommairement le fait du mariage, en indiquant les noms au long, l'âge et l'état des parties, en quel temps, en quel lieu et par qui a été faite la célébration, le domicile et la résidence de chacune des parties à l'époque du mariage, leur domicile conjugal, leur résidence et tout changement qui en aurait eu lieu ; les faits essentiels sur lesquels est fondée la demande de redressement et la nature du redressement demandé.

La pétition doit aussi contenir l'assurance qu'il n'y a pas eu ni connivence, ni pardon pour les torts qui donnent lieu à la plainte, ni collusion dans la demande en divorce.

Les allégations de la pétition doivent être appuyées d'une déclaration du pétitionnaire, faite conformément à l'*Acte de la preuve en Canada, 1893*.

La copie de la pétition signifiée à la partie défenderesse portera en endos ou en annexe les renseignements suivants :

(*1*) La résidence du pétitionnaire à l'époque de la signification.

(*2*) Une adresse postale en Canada à laquelle les lettres et avis pour le pétitionnaire puissent être délivrés.

(*3*) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour le pétitionnaire.

(*4*) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(*5*) Si la partie défenderesse veut s'opposer à la demande en divorce et être entendue par le comité des divorces du Sénat, elle doit adresser un avis à cet effet au greffier du Sénat aux édifices du Parlement, Ottawa, dans les deux mois de la signification faite à la partie défenderesse et donner dans cet avis au greffier du Sénat :

(*a*) La résidence de la partie défenderesse à l'époque de l'envoi de l'avis.

(*b*) Une adresse postale en Canada à laquelle les lettres et avis pour la partie défenderesse puissent être délivrés.

(*c*) Le nom et l'adresse de l'avocat, s'il y en a un agissant pour la partie défenderesse.

(*d*) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(*6*) Si la partie défenderesse ne notifie pas ainsi le greffier du Sénat, la pétition peut être prise en considération, et un bill de divorce basé sur cette pétition peut suivre son cours sans autre avis à la partie défenderesse.

(*7*) Lorsque la pétition est présentée par un mari pour obtenir le divorce contre sa femme, si celle-ci fait voir au comité d'une manière satisfaisante qu'elle peut opposer et qu'elle est prête à produire sous serment de bons moyens de défense contre les accusations portées dans la pétition, et qu'elle n'a pas l'argent nécessaire pour faire valoir ces moyens, le comité peut rendre un ordre que son mari ait à lui fournir la somme nécessaire pour qu'elle puisse présenter sa défense en retenant les service d'un conseil, payer ses frais de voyage et de séjour et ceux des témoins assignés de sa part à Ottawa.

La pétition en obtention d'un bill de divorce n'est prise en considération par le comité que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de $210.

La pétition, au moment de sa présentation au Sénat doit être accompagnée de la preuve de la publication d'avis et d'une déclaration établissant qu'une copie de l'avis de la pétition a été signifiée.

Une copie de toute pétition en obtention d'un bill de divorce, ou relative à quelque demande de divorce,—et une copie de tous documents et papiers accompagnant cette pétition, ou à produire devant le comité, devra être fournie par la personne au nom de laquelle la pétition, les documents ou les papiers seront présentés ou produits.

SAML. E. ST. O. CHAPLEAU,
Greffier du Sénat.

SENAT.

Avis de bills privés.

EXTRAIT DES RÈGLES DU SÉNAT.

107. Toute demande au Parlement, pour obtenir un bill privé, de quelque nature qu'il soit, doit être annoncée par avis inséré à la *Gazette du Canada ;* cet avis doit indiquer d'une manière claire et précise la nature et l'objet de la demande, être signé par les pétitionnaires ou en leur nom et contenir l'adresse des signataires ; et si elle a pour objet l'obtention d'un acte constitutif, il faut donner aussi dans l'avis le nom de la compagnie projetée.

Outre l'avis à insérer dans la *Gazette du Canada*, il doit en être publié un semblable, comme il suit :—

A. Lorsque la demande a pour objet l'obtention d'un acte constituant en corporation,—

1. Une *compagnie de chemin de fer ou de canal*,—dans un des principaux journaux de la principale cité ou ville ou le principal village de chaque comté ou district par où passerait le chemin de fer ou le canal dont la construction est projetée ;

2. Une *compagnie de télégraphe ou de téléphone*,—dans un des principaux journaux de la principale cité ou ville de chaque province ou territoire où elle se propose d'opérer ;

3. Une *compagnie pour la confection de travaux quelconques*, dont la confection ou l'exploitation intéresserait spécialement telle localité particulière ; ou une compagnie tendant à obtenir des droits ou privilèges exclusifs, ou l'autorisation de faire une chose dont l'opération pourrait porter atteinte aux droits ou à la propriété d'autrui,—dans un des principaux journaux de l'endroit ou des endroits que l'acte demandé intéresse ;

4. Une *compagnie de banque ;* une *compagnie d'assurance ;* une *compagnie de crédit ;* une *compagnie de prêt* ou une *compagnie industrielle*, sans pouvoirs exclusifs —dans la *Gazette du Canada* seulement ;

5. Et si les travaux d'une compagnie (constituée ou à constituer) doivent être déclarés d'utilité générale pour le Canada, cette intention sera spécifiquement

mentionnée dans l'avis ; et les requérants feront envoyer par lettre enregistrée une copie de cet avis au secrétaire de chaque conseil de comté et de chaque corporation municipale spécialement intéressée dans la construction ou l'exploitation de ces travaux, ainsi qu'au secrétaire de la province dans laquelle ces travaux sont ou seront situés ; et la preuve de l'accomplissement de cette prescription par les requérants devra s'établir par une déclaration statutaire.

B. Lorsque la demande a pour objet de modifier un acte existant,—

1. Afin de prolonger une ligne de chemin de fer ou un canal, ou de construire des embranchements qui s'y relient, l'avis sera le même, *mutatis mutandis*, que celui pour l'obtention d'un acte constituant en corporation une compagnie de chemin de fer ou de canal ;

2. Afin de proroger le délai fixé pour la confection ou l'achèvement d'une ligne de chemin de fer, d'un canal, d'une ligne télégraphique ou téléphonique, ou d'autres travaux quelconques déjà autorisés,—dans un des principaux journaux de l'endroit où la compagnie a son siège ou est autorisée à avoir son siège ;

3. Afin d'étendre les pouvoirs d'une compagnie (sans attribution de pouvoirs exclusifs) ; d'accroître ou de réduire le capital-actions d'une compagnie, ou d'augmenter ou modifier sa faculté d'émettre des obligations ou de faire des emprunts, ou d'effectuer des changements pouvant porter atteinte aux droits ou intérêts des actionnaires, obligataires ou créanciers de la compagnie,—dans un des principaux journaux du lieu de la situation de son siège.

c. Dans tous ces cas, les avis insérés soit à la *Gazette du Canada* ou dans les journaux, doivent se publier au moins une fois par semaine pendant cinq semaines consécutives ; et, lorsqu'ils se publient dans les provinces de Québec et du Manitoba, ils doivent être en langue anglaise et en langue française. Il faut envoyer au greffier du Sénat des exemplaires *marqués* de chaque numéro de tous les journaux contenant l'avis, avec, sur le pli de la feuille, les mots : "*Avis de bill privé*" ; ou l'on peut transmettre, au lieu des journaux, une déclaration statutaire que l'avis a été dûment publié.

Tout avis par lettre enregistrée sera déposé à la poste à temps pour parvenir au Secrétaire de la province et au greffier de chaque conseil de comté et de chaque corporation municipale cinq semaines au moins avant la considération de la pétition par le comité des Ordres permanents ; et une déclaration statutaire établissant le fait du dépôt à la poste sera transmise au greffier du Sénat.

108. Nulle pétition pour la constitution en corporation d'une compagnie de chemin de fer ou d'une compagnie de canal, ou pour l'extension de la ligne d'un chemin de fer ou d'un canal existant ou autorisé, n'est prise en consideration par le comité des Ordres Permanents, à moins qu'il n'ait été déposé devant le comité une carte ou un plan indiquant le tracé proposé des travaux ainsi que les comtés ou les districts par où doit passer le chemin de fer, le canal, l'embranchement ou le prolongement qu'on veut construire.

109. Avant d'adresser au Sénat la pétition pour en obtenir la permission de présenter un bill privé ayant pour objet la construction d'un pont de péage, la ou les personnes qui ont l'intention de faire cette pétition doivent, en donnant l'avis prescrit par les règles précédentes mentionner en même temps et de la même manière, les péages qu'elles se proposent de percevoir, l'étendue du privilège, la hauteur des arches, l'espace libre entre les culées ou les piles pour le passage des trains de bois et des bateaux ; en outre, mentionner si le pont sera mobile ou non, et indiquer les dimensions de la partie mobile.

110. Aucune pétition en obtention d'un bill privé n'est reçue par le Sénat après les trois premières semaines de la session ; aucun bill privé ne peut lui être présenté après les quatre premières semaines de la session ; aucun rapport d'un comité permanent ou spécial sur un bill privé n'est reçu après les six premières semaines de la session.

114. Toute personne qui voudra obtenir un bill privé, si elle se propose de le présenter au Sénat, devra déposer entre les mains du greffier de cette Chambre, huit jours avant la réunion du Parlement, une copie du bill en langue anglaise ou en langue française, avec une somme d'argent suffisante pour en payer la traduction, laquelle sera faite par les traducteurs du Sénat, et payer l'impression de 600 exemplaires anglais et de 200 exemplaires français ; elle aura pareillement à verser entre les mains du greffier du Sénat, aussitôt après la deuxième lecture du bill, et avant la prise en considération par le comité auquel il aura été renvoyé, une somme de $200, avec les frais d'insertion de l'acte au corps des Statuts ; et elle remettra au commis-greffier du comité un reçu constatant le versement de ces sommes.

HIS ROYAL HIGHNESS THE GOVERNOR GENERAL IN COUNCIL.

THE Minister of the Interior submits, under date 20th November, 1912, that by an Order in Council dated 30th January, 1904, provision was made that the Commissioner of the Yukon Territory might, upon approval by him of an application for permission to impound the surplus waters of any creek or gulch, withdraw from mining entry under the regulations in that behalf any vacant ground required as a reservoir site, or for any other purpose in connection with the storage of water.

The Minister states that on the 9th of June, 1904, the Commissioner of the Yukon Territory reserved for C. T. Dunbar and O. R. Breuer, under the above authority, a tract of land situated on Chief Gulch, a tributary of Eldorado Creek in the said Territory, for the purpose of creating a reservoir thereon within which to store water for use for mining purposes.

That the officers of the Department of the Interior at Dawson have now reported that the reservation above referred to has not been utilized for the purpose of creating a reservoir, and that inquiries have been received as to when the lands affected would again become available for placer mining entry.

The Minister recommends, in view of the failure of the grantees to create a reservoir on the tract reserved, that he be authorized to again bring the tract reserved for the above purpose under the provisions of the Yukon Placer Mining Act.

The Committee submit the same for approval.

HIS ROYAL HIGHNESS THE GOVERNOR GENERAL IN COUNCIL.

THE Minister of the Interior submits, under date the 8th November, 1912, that by an Order in Council dated the first of October, 1909, Mr. J. C. Maclure was permitted to purchase at the rate of $1.00 an acre the south-east quarter of Section 30, Township 19, east of the Coast Meridian, for brick manufacturing purposes, subject to the condition, however, that within three years from the date upon which the sale was authorized a plant, having a capacity of 5,000 bricks per week, should be erected on the property, and should have actually produced not less than 300,000 bricks.

The Minister states that evidence has been filed in the Department of the Interior to show that a plant having a capacity of 20,000 bricks per day has been erected in connection with this sale; that over 1,000,000 bricks have been manufactured by such plant; that it was found impossible, however, on account of the sheer, precipitous character of the quarter section to erect the plant on the said property, and that adjoining property had been leased upon which to erect the necessary plant and establish the brick and sewer pipe industry at a cost of $140,000.00.

As it would appear that the character of the land sold to Mr. Maclure was such as to preclude the possibility of erecting thereon the required plant, and as the conditions of the Order in Council of the first of October, 1909, have otherwise been very fully complied with, the Minister recommends that he be authorized to accept the erection of this plant on adjoining lands as compliance with the conditions of the sale.

The Committee submit the same for approval.

Clerk of the Privy Council.

THE Minister of the Interior states, under date the 15th November, 1912, that Mr. H. O. Miller was granted homestead and pre emption entries for the south ½ of Section 27, Township 6, Range 17, west of the 4th Meridian on the 17th September, 1908, and that as no defense was filed to the cancellation proceedings subsequently instituted such entries were cancelled by default on the 26th June, 1911, and re-entry granted Mr. J. A. Holmerson.

The Minister further states that it has now beeen represented to the Department of the Interior that Messrs. Miller and Holmerson had entered into an illegal agreement with respect to the half section mentioned ;

That under these circumstances it is considered advisable to have an investigation in relation to this matter.

The Minister, in view of the foregoing, recommends that H. G. Cuttle, of Brandon, in the Province of Manitoba, Esquire, Inspector of Dominion Lands Agencies, be authorized under the provisions of The Dominion Lands Act, paragraph (*g*), section 76, chapter 20, 7-8 Edward VII, to investigate the said question and for that purpose to summon by subpœna any person or persons, and examine such person or persons under oath and to compel the production of papers and writings at such investigation.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR GENERAL IN COUNCIL.

THE Minister of the Interior submits, under date 18th November, 1912, that by an Order in Council of the 31st of May, 1912, provision was made that a lease be issued in favour of The Yellowhead Pass Coal and Coke Company, the holders of certain coal mining leases in the northern portion of the Province of Alberta, of the surface rights of a certain portion of Section 6, Township 29, Range 21 west of the Fifth Meridian, which lands overlie the coal mining rights which the company have acquired under lease.

The Minister states that the coal mining rights which this company have acquired under lease are situated in Township 49, Range 21, west of the Fifth Meridian, but, owing to a typographical error, the surface rights for which the company applied were described in the above Order in Council as being in Township 29, instead of Township 49, Range 21, west of the Fifth Meridian.

The Minister, therefore, recommends that the Order in Council of the 31st of May, 1912, be amended accordingly.

The Committee submit the same for approval.

AT THE GOVERNMENT HOUSE AT OTTAWA

Thursday, the 21st day of November, 1912.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR GENERAL IN COUNCIL.

THE Minister of the Interior, under date 10th October, 1912, reports that, under the provisions of The Irrigation Act, chap. 61, R.S.C., 1906, authority has been granted to the Lethbridge Collieries, Limited, to construct a system of works to divert water from Belly River for use in its mines and for the domestic supply of its employees, and that pursuant to such authority the company has constructed on the north half of Section 7, Township 9, Range 22, west of the 4th Meridian, a pump house and pipe line.

The Minister states that, under the authority of section 54 of the said Act, regulations were established providing for the granting of a right of way through Dominion Lands of lands required for a canal ditch or pipe line, including a marginal strip not exceeding twenty feet on one side and ten feet on the other side of such works to give access to the same for purposes of operation and repairs, and that provision is also made therein for granting a greater width if such is shown to be necessary for the effective operation of the system, but not to exceed ten acres on any quarter-section.

The Minister represents that the pipe line of the company through the land in question runs along a narrow coulee in such a way that it is necessary to have the pipe line on one side of the bottom of the coulee and the road by which access is gained to it on the other side, and they make application to be given license of occupation for the pipe line and roadway and the strip of land lying between.

The Minister also states that the land in question is held as a quarantine reserve under the control of the Department of Agriculture, but that Department has agreed to permit the company to acquire this right of way on condition that it should be fenced and that necessary gates should be provided.

The Minister further states that he has caused an inspection of the land to be made and finds that the conditions are as stated by the company; that the land could most conveniently be fenced by locating the fence on the outside of the road and on the outside of the pipe line in each case, thus including the strip between them within the fence; and that the land so enclosed would be useless for other purposes.

The Minister, therefore, recommends that he be authorized to grant to the company a license of occupation for the land required for the pipe line and roadway including the strip between them, comprising an area of some eighteen acres, twelve acres of which are on the north-west quarter of Section 7 and six acres on the north-east quarter.

The Committee advise that the requisite authority be granted.

Clerk of the Privy Council.

The Minister states that Mr. A. W. Wheeler was a disappointed applicant for the quarter section mentioned and claims that Mr. Peever was not entitled to make entry for this land because the latter had not enough improvements on his homestead.

The Minister, therefore, recommends that Mr. James Muir, K.C., of Calgary, in the Province of Alberta, be authorized, under the provisions of The Dominion Lands Act, paragraph (*g*), section seventy-six, chapter twenty, 7-8 Edward VII, to investigate the said question and for that purpose to summon by subpœna any person or persons, and examine such person or persons under oath and to compel the production of papers and writings at such investigation.

The Minister represents that as Mr. Newth was, at the time of obtaining entry for the above land and is still, an employee of the Department of the Interior, having been appointed sub-Agent of Dominion Lands at Lipton, in the Province of Saskatchewan, in October, 1900, he is debarred from acquiring any Dominion Lands.

The Minister recommends, as payment in full for the parcel under consideration has been made, that, under the provisions of section 84 of The Dominion Lands Act, the sale to Mr. Newth of the said N.E. ¼ of Section 26, Township 23, Range 14, West of the Second Meridian, be confirmed.
